Eric Thomas Book Free:

American Music Librarianship Carol June Bradley,2013-09-13 The literature of American music librarianship has been around since the 19th century when public libraries began to keep records of player piano concerts significant donations of books and music and suggestions for housing music As the 20th century began American periodicals printed more and more articles on increasingly specialized topics within music studies Eventually books were developed to aid the music librarian their publication has continued over the course of nearly a century This book reflects the great diversity of the literature of music librarianship The main resources included are items of historical interest descriptions of individual collections catalogues of collections articles describing specific library functions record related subjects bibliographies designed for music library use literature from Canada and Britain when relevant to U S library practices key discographies and information on specialized music research The material is ordered by topic and indexed by author subject and library name

Books and Notes of the Los Angeles County Free Library Los Angeles County Public Library,1930 **Catalogue of the Books in the Manchester Free Library: Additions from 1864 to 1879. 1 v. in 2. 1879** ,1879 Children's Bibles in America Russell W. Dalton,2015-11-19 Children s Bibles have been among the most popular and influential types of religious publications in the United States providing many Americans with their first formative experiences of the Bible and its stories In Children s Bibles in America Russell W Dalton explores the variety of ways in which children s Bibles have adapted illustrated and retold Bible stories for children throughout U S history This reception history of the story of Noah as it appears in children s Bibles provides striking examples of the multivalence and malleability of biblical texts and offers intriguing snapshots of American culture and American religion in their most basic forms Dalton demonstrates the ways in which children s Bibles reflect and reveal America s diverse and changing beliefs about God childhood morality and what must be passed on to the next generation Dalton uses the popular story of Noah s ark as a case study exploring how it has been adapted and appropriated to serve in a variety of social agendas Throughout America s history the image of God in children s Bible adaptations of the story of Noah has ranged from that of a powerful angry God who might destroy children at any time to that of a friendly God who will always keep children safe At the same time Noah has been lifted up as a model of virtues ranging from hard work and humble obedience to patience and positive thinking Dalton explores these uses of the story of Noah and more as he engages the fields of biblical studies the history of religion in America religious education childhood studies and children s literature Catalogue of Books in the Newburgh Free Library ...
