

A dramatic landscape featuring a prominent mountain peak in the center, silhouetted against a vibrant sunset sky. The sky transitions from deep purple and blue at the top to bright orange and yellow near the horizon. The foreground consists of dark, jagged rock formations. The overall mood is serene and majestic.

Sometimes prayer moves the
hand of God, and sometimes
prayer changes the heart of the
person who is praying.

Prayer Moves God Archbishop Duncan-Williams, 2015-08-20 Now more than ever intercessors are needed to pray and usher in the end time harvest by deploying the keys of the Kingdom to execute the judgments written against the heathens and the wicked We must know the Dominion Mandate is still God's original plan for mankind God wants man to have dominion in the earth Until someone prays God can do nothing for humanity But we must also understand the rules of engagement to be effective in our prayers In this book through the study of the scriptures stories of the men and women of renown in the Bible and through recounting the great revivals and prayer watches of this modern age we see that ordinary men and women were able to move God in prayer These men and women have moved on to glory But their prayers are still producing power and the mantles they used to open the heavens and bring God into the affairs of men are available to us
