Have you always wanted to learn how to speak French but simply didn't have the time? Well, if so, then look no further. You can hold in your hands *Conversational French Quick and Easy Books I, II, and III* that is one of the most advanced and revolutionary methods boxset series that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the most common words that are most likely to be used in real conversations. These words were chosen in such a way that they were structurally interrelated and when combined form sentences. Through various other discoveries about how real conversations work, discoveries that are detailed further in this book, Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant now. If you want to learn complicated grammar rules or to speak perfectly proper and precise French, this book is not for you. However, if you need to actually hold a conversation while on a trip to a French-speaking country to impress that certain someone or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. This is one of the several in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With *Conversational French Quick and Easy Series Books I, II, and III*, all you will need. Learn French today, not tomorrow, and get started now.
