The Ministry, Vol. 09, No. 04 Various Authors, 2005-04-01 This issue of The Ministry contains the first group of eight messages given during the 2004 fall term of the Full time Training in Anaheim California The general subject for this line of messages is the intrinsic significance of the Lord s recovery for the building of the church as the house of God and the city of God The word recovery means a restoration or a return to a normal condition after damage or loss has been incurred The principle of recovery is to bring us back to the beginning Matt 19 8 to God s beginning back to what is normal in God s eyes We do not want to be in an abnormal situation of division confusion or denominationalism or in a situation filled with idols and impurities We want to be recovered back to the enjoyment of Christ as our all inclusive good land so that we can be filled with Him in His unsearchable riches and be built up to be the living temple the house of the living God 1 Tim 3 15 This is the Body of Christ for His expression We also want to be built up as the kingdom of God to represent God for His dominion on this earth as pictured by the city of Jerusalem God s recovery begins with our exercised spirit God wants to recover the spirit of man for His economy We can exercise our spirit to contact God worshipping God in our spirit with Christ as our reality Thus we are here to build up the church as the house of God and the kingdom of God Last of all we include a report concerning the Lord s move in the French speaking world and an update concerning the distribution of the ministry in Poland
