The Instaguide C. J. Hallock, 2017-07-31
Instagram has grown to be one of the largest social media platforms
With over 700 million monthly users it is the gateway between you and your soon to be customers or clients
I knew I needed to figure out Instagram
So I started doing some research
That research went from just looking at a few blog posts and Instagram accounts into a massive passion project
While I did start this as a blog post
The Ultimate Guide to Instagram it continued to grow the more research I did
To date I have over 250 hours of research into Instagram
I found that none of the blog posts books or reports I read had much outside of a few hacks or one specific thing
This frustrated me so I started to piece every piece of information I could find on Instagram together
After that blog post passed 6 000 words I decided to finish it as a book so I can have all this information in one location that is easy for people to keep on hand
So follow along in this Instagram Guide and learn the basics and more
The following are some of the topics covered within the InstaGuide
How to create an Instagram account
How to use analytics
Business Tools within Instagram
What do I post to Instagram
What are hashtags and how do I use them
What should I post in my Instagram captions
What is a GeoTag
How often should I post on Instagram
Should I repost other peoples posts on Instagram
What can I do with an Instagram video
What do I do after I post to Instagram
What is Instagram Stories
How do I use Instagram Live
How to use Instagram Direct Messages
That is not all I have also include some of the best Instagram hacks to grow your following and increase your engagement online
