

The Symbol of Postmodernism

(Frank Gehry)

What?

Contemporary architects are using increasingly radical forms to challenge traditional ideas about how buildings are designed and built. Architects are embracing a postmodernism that allows for a freedom of form that is not bound by the rules of modernism.

Model 1 - The 1994 Vancouver Children's Centre

Model 1 is a copy of the original building before a major renovation project was fully completed in 2014.
