

# 300 creative writing prompts for kids

Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "if".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

**Children's Writing Prompt & Activity Journal** Natascha & Lori Graham,2021-03-02 Welcome to Creative Writing Prompts for Children We hope this book will inspire you to write and explore new worlds You will have the chance to write poems be your own reporter write and draw comics and so much more There are no rules for this book There is plenty of space in to write but you can also write on a computer or your own paper You can start at the back the front or in the middle If you don't feel inspired by a prompt make one of your own Tell your friends about Creative Writing Prompts too Some terms to help you out Fiction Anything that you write that is not true A made up story Nonfiction Anything that you write that is true This is about something that really did happen Fan Fiction Writing in which you take characters that other people have written and imagine them saying and doing things that are normal for their character to do Flash Fiction A made up story that is very short usually fewer than 500 words Syllable The number of beats a mouth full of words So for example the word Syllable clap each time you stop has 3 syllables Lamp has only one You clap when saying lamp and it is only one beat Video Game Vide o game has 4 If this is still confusing try to use a Youtube video that explains it We hope you are inspired to write amazing stories poems and comics

Story Starters and Science Notebooking Sandy Buczynski,Kristin Fontichiaro,2009-05-19 Story Starters and Science Notebooking Developing Student Thinking Through Literacy and Inquiry is designed to provide a meaningful comfortable framework in which teachers and parents can encourage elementary children to explore scientific ideas in an inquiry oriented format The basis for each scientific concept presented in Story Starters and Science Notebooking is embedded in a story appropriate for elementary aged children The activity that follows each narrative encourages learners to observe compare gather data organize or classify and draw conclusions about the problem posed from the story Because current scientific knowledge and understanding guide scientific investigations background information in each chapter provides teachers with a synopsis of the scientific concept involved in the activity for that story The story starters present a framework for inquiry which eliminates the free wheeling uncontrolled and unstructured view some teachers have of inquiry These are either original stories or familiar children's stories that ask learners to investigate a possible scientific explanation for a problem or scenario Learners then communicate their findings in an oral written pictorial or technological form back to a lead character from the story Extension activities provide an opportunity for learners to compare their answers with what scientists already know about the world and also motivate them to frame new questions Grades 3 6
