

APUSH Period 5: 1844- 1877: Everything You Need to Know!

SUMMARY: Unit 5 Topic 2

- The phrase “manifest destiny” was coined by newspaper editor John O’Sullivan in 1845, who wrote that America had a god-given right to possess the entire continent
- Americans expanded westward for three main reasons:
 - 1) Needed more access to minerals and natural resources
 - California Gold Rush of 1848: discovery of gold in California led people from the east to rush to stake their claim in California
 - Discoveries of gold and silver in Colorado, the Dakotas and Nevada prompted similar westward movement
 - 2) Sought new economic and homestead opportunities
 - Preemption Acts of the 1830s and ‘40s made large swaths of cheap land available to those who would set up a homestead and farm
 - Migrations were made largely by the middle class, since the poor didn’t have the resources to move westward
 - 3) Religious refuge
 - Upwards of 70,000 Mormons migrated to the Utah territory due to persecution surrounding their practice of polygamy
- Texas territory:
 - Americans began settling in Texas in the 1820s- by 1830, 3x as many Americans as Mexicans lived in the Texas territory
 - Most immigrants were Southern, Protestant, and slave-owning, which was problematic because Mexico had two requirements of its immigrants: 1) convert to Roman Catholicism and 2) don’t practice slavery! Texans ignored these; Mexico closed borders to immigration, which Texans also ignored
 - 1834: Change in Mexican government; new dictator sought to clamp down on the regulations on the books regarding American immigrants
 - Texan-Americans revolted against the new government under the leadership of Sam Houston and declared Texas to be an independent republic in 1836
 - Mexico sent forces north to put down this rebellion; won a stunning victory at the Alamo, killing every American who defended it
 - Houston and his army engaged Mexicans in the battle of San Jacinto, where they captured the Mexican general and forced him to sign a treaty granting Texas independence (which he did not have the authority to do)
 - Texas then claimed its independence, which Mexico did not recognize
