This book will help you shed your fear of not having enough knowledge about the big 4 interview process and how the big 4 operate
You don t need to know every single thing about how the big 4 operate but we focus you in on the key simple areas that will 10X your chances of being one of the top big 4 candidates
The format of the book is to first provide you with the question that will be asked in the interview
Then we provide the reason around why the big 4 ask that question
Then we give what a bad answer would be to the questions and what a good answer would be
The reason we formatted the book this way is to help you understand the types of questions that you will be asked and why you are being asked those questions
There are too many times where I have interviewed candidates and they answered with an inappropriate answer
They didn t respond inappropriately because they are stupid or bad people
They responded inappropriately because they didn t practice or no one taught them how to interview
There are several categories that the big four public accounting firms like EY Deloitte PwC and KPMG test you on when they interview you
We try to cover as many of the categories as possible in this book
The big 4 interview questions are split into these categories
The skills that the top 4 accounting firms will test you on are
