Hussein Rassool,2025-08-18 Working with Crisis and Trauma from an Isl mic Perspective provides a holistic framework and treatment methods for working with trauma and crises framed within an Isl

mic Psychology paradigm This book begins by conceptualising trauma and existing models of understanding treatment and then places trauma and crises within an Islamic viewpoint The authors focus on the Qur the Sunnah and Islamic Psychology to rationalise and explain the effects of trauma and how it presents while proposing treatment methods within this context The final chapter uses case studies to illustrate practical applications and includes coping strategies directly from authentic Islamic sources and the sixth chapter focuses on the legacy of trauma in terms of post traumatic growth This book will be essential reading for professionals in the fields of psychology and mental health looking to understand how Islamic Psychology practices can be presented as a treatment intervention for patients experiencing trauma and gain insight into how to incorporate these protocols into their own practice

The Effects of Trauma Jim Banks,2011-03 The following book describes a prayer tool that I stumbled across in late 2009 by putting pieces of the teachings of three of God's faithful servants together and adding a couple of others steps The power of it to virtually eliminate many of the symptoms that victims of trauma complain of has proven to be nothing short of miraculous Over the last 25 years of praying for physical and emotional healing I have prayed numerous prayers that at least in my estimation availed little But the last 400 or 500 folks or so that I have ministered this over have experienced relief that has been both instantaneous and up to this point permanent I am also happy to report that the recipients have experienced some significant results after having been prayed over in groups of 25 to 175 persons
