Exploring Youth Studies in the Age of AI Zaremohzzabieh, Zeinab, Abdullah, Rusli, Ahrari, Seyedal, 2024-07-24. In an era defined by the relentless march of technology, the seamless integration of Artificial Intelligence (AI) into our daily lives has ushered in a transformative landscape. At the forefront of this evolution are the Digital Natives of Generation AI, navigating the complexities of a digital world where algorithms are integral to their daily experiences. This juncture presents a dual influence marked by the continuous progression of technological advancements and the dynamic ways the youngest members of our society engage with and adapt to the digital environment. As we stand at the crossroads of youth studies and AI, there arises a pressing need to comprehend the profound impact of this convergence on the future leaders of our world. Addressing this imperative, **Exploring Youth Studies in the Age of AI** emerges as a comprehensive solution to unravel the complexities and opportunities within this evolving landscape. This book, meticulously crafted for academics, researchers, educators, policymakers, and technology ethicists, serves as a guiding beacon in understanding how AI shapes the experiences of today's youth and, in turn, how youth culture influences the development and application of AI technologies. With a collection of enlightening chapters covering topics from Data-Driven Pedagogies to Ethical AI Guiding Principles for Youth-Centric Development, the book delves deep into the diverse dimensions of this intersection, providing actionable insights and fostering a nuanced understanding for those invested in the ethical, social, and educational

Mindful Unplugging Rami Georgiev, 2023-12-07

Mindful Unplugging: 27 Strategies for a Digital Detox Lifestyle is a comprehensive guide that navigates the intricate relationship between modern living and the pervasive influence of digital technology. Authored as a roadmap for intentional and balanced living, the book unfolds a tapestry of strategies, insights, and practices designed to empower individuals to reclaim moments of presence in the age of screens. From debunking common myths surrounding technology to advocating for JOMO (Joy of Missing Out) moments, each chapter offers a nuanced exploration of mindful living, encouraging readers to craft a lifestyle aligned with their values and enriched by the simplicity of offline experiences. The book transcends the notion of a mere digital detox, becoming a companion on the ongoing journey towards mindful, intentional, and harmonious living in the digital age.

Digital Detox Arthur Irwine, 2023-04-05

A digital detox involves disconnecting from technology and limiting screen time in order to improve mental and physical health. Understanding and evaluating one's digital habits, setting goals, finding alternative forms of entertainment, building a support system, incorporating mindfulness and meditation, staying productive without technology, and maintaining a digital detox lifestyle are all important steps in the process. By re-evaluating our relationship with technology, we can lead healthier, more balanced lives.
