Good Practice Contract Management Framework:

Contract Management of Medical Services Great Britain: National Audit Office, 2012-10-18 The Department for Work and Pensions relies on medical assessments to help its decision makers reach an appropriate decision on a customer's entitlement to a wide range of benefits From April 2013 a new medical assessment will be introduced for Personal Independence Payment A procurement competition is underway to appoint service providers for this The Department's contractor for medical services Atos Healthcare completed 738 000 face to face medical assessments in 2011 12 and charged the Department 112.4 million This performance review examines the Department's contract management and wider strategy for the supply of medical services including the Department's contractual relationship with Atos Healthcare the performance management of Atos Healthcare the future contracting strategy Amongst key findings according to the performance data provided is that Atos Healthcare has not routinely met all the service standards specified in the contract This report makes a number of recommendations to strengthen existing governance arrangements to improve performance monitoring and to strengthen the Department's commercial strategy

Central Governments Management of Service Contracts Great Britain. National Audit Office, 2008 This NAO report HCP 65 session 2008 09 ISBN 9780102954487 examines how well central government organisations are managing their service contracts assessed against the good practice framework for contract management A further examination was done into the effectiveness of the Office of Government Commerce in supporting central government to improve contract management The NAO has focused on contracts for information and communication technology facilities management and business process outsourcing where the contract had been signed and the service was up and running In the 2007 08 period central government spent over 12 billion on service contracts primarily in the areas of information and communications technology facilities management and business process outsourcing In total the NAO estimates that 240 million was spent on managing service contracts in the period 2007 08 Delivery of public services protection against service failure and achievement of value for money are all dependent on effective contract management The NAO has set out a number of findings and recommendations including that contract management is not always accorded the priority it deserves that less than half the organisations surveyed had an individual with overall responsibility for contract management that some contracts had taken several years before a proper system of management was actually in place including resources and performance measures that one quarter of commercial directors heads of procurement rated the level of resources allocated to contract management as poor that central government do not routinely test their service contracts and good practice risk management practices are not being consistently applied For the Office of Government Commerce the NAO found that limited guidance is available on contract management that central government organisations identified a need for better training for their contract managers that no cross government contract management community exists and that monitoring and managing major suppliers had focused mainly on the IT sector
