*CCSS.ELA-LITERACY.W.6.9.b — Apply grade 4 Reading standards to literature (e.g., “Describe in depth a character, setting, or event in a story or drama, drawing on specific details in the text [e.g., a character’s thoughts, words, or actions].”).*

*Quick Review: In Grade 6, when reading stories or plays, it’s important to dive deep into understanding characters, settings, or events. This means using clues from the text, like what a character says or does, to describe them in detail. For example, think about how a character’s actions show their personality or how the setting influences the story. By focusing on these details, you get a clearer picture of what’s happening and why, making the story more interesting and easier to understand.*
