Making Identity Count Ted Hopf, Bentley B. Allan, 2016-04-06 Constructivism despite being one of the three main streams of IR theory along with realism and liberalism is rarely if ever tested in large n quantitative work Constructivists almost unanimously eschew quantitative approaches assuming that variables of interest to constructivists defy quantification Quantitative scholars mostly ignore constructivist variables as too fuzzy and vague And the rare instances in which quantitative scholars have operationalized identity as a variable they have unfortunately realized all the constructivists worst fears about reducing national identity to a single measure such as language religion or ethnicity thereby violating one of the foundational assumptions of constructivism intersubjectivity *Making Identity Count* presents a new method for the recovery of national identity applies the method in 9 country cases and draws conclusions from the empirical evidence for hegemonic transitions and a variety of quantitative theories of identity Ted Hopf and Bentley B Allan make the constructivist variable of national identity a valid measure that can be used by large n International Relations scholars in a variety of ways They lay out what is wrong with how identity has been conceptualized operationalized and measured in quantitative IR so far and specify a methodological approach that allows scholars to recover the predominant national identities of states in a more valid and systematic fashion The book includes national identity reports on China the US UK Germany France Brazil Japan and India to both test the authors method and demonstrate the promise of the approach Hopf and Allan use these data to test a constructivist hypothesis about the future of Western neoliberal democratic hegemony Finally the book concludes with an assessment of the method including areas of possible improvement as well as a description of what an intersubjective national identity data base of great powers from 1810 2010 could mean for IR scholarship

Daughter of Count Dracula: Kula's Dilemma R. Barri Flowers, From R Barri Flowers the bestselling author of the young adult Transylvanica High series featuring Count Dracula s Teenage Daughter and Out for Blood Kula s Destiny comes the exciting third book in the series *Daughter of Count Dracula Kula s Dilemma* Sixteen year old honor student Kula Lockhart is a junior at Transylvanica High School in Harbor Heights Michigan It is one of several integrated pilot schools across the country where human and vampire students peacefully coexist As the half human half vampire daughter of Count Dracula Kula has become a target of those who seek to destroy vampires in spite of her vamp guardians Ivan and Amelia and Kula s own growing sense of self preservation that she inherited from her father In her latest crisis Kula is devastated when her mortal boyfriend Eriq Pratt is left clinging to life after a car accident orchestrated by a vampire hunter When things reach a point of no return Kula turns Eriq into a vampire to keep him alive forever Eriq must adjust to his new life as a vampire even as he tries to hold onto his humanity His love for Kula is the one constant in his life as is the unwanted presence of Sebastian LeBlanc a half vampire who has the hots for Kula Then there is Gabryela Roswell Kula s vamp half sister and the gorgeous vamp Jacquelyn Brossard a member of the rival Doerzic clan both jockeying for power and romance at Transylvanica High In the meantime a pair of teen vampires is

targeting the elderly of Harbor Heights for their blood going against the new order of bottled human blood and blood drives As a police investigation is underway with humans and vamps on edge Kula is given the shock of her life when her birth mother she believed was dead shows up in Harbor Heights But is it a blessing or curse Fans of popular teen vampire and paranormal fiction series such as Twilight True Blood Vampire Academy and Vampire Diaries will love the latest chapter in this captivating series Bonus material includes an excerpt of book four in the Transylvanica High series Count Dracula s Daughters Sisters at War a prequel novella of the series Vampire Classmates a short story of horror and suspense Vandals and an excerpt from the author s Hawaii adventure and romance novel Summer at Paradise Ranch Look for other bestselling young adult novels by R Barri Flowers including Christmas Wishes Laura s Story Ghost Girl in Shadow Bay Teen Ghost at Dead Lake and Danger in Time All are available in audio eBook and print

Downloading International Bestseller Numbers Counting provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading International Bestseller Numbers Counting has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download International Bestseller Numbers Counting . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading International Bestseller Numbers Counting . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading International Bestseller Numbers Counting , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download International Bestseller Numbers Counting has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
