Summary of Neil Rackham's SPIN Selling Everest Media,2022-03-09T22:59:00Z

Please note This is a companion version not the original book Sample Book Insights 1 When I presented the findings of my research to the V P of Sales he was quick to point out that good questions are equally as important in sales as good closes He explained that he had always stressed to new salespeople the importance of asking open ended questions 2 My colleagues and I had collected more compelling evidence against the traditional sales training methods We had studied 35 000 sales transactions and we'd found that the techniques used by the company's top salespeople who were making high value sales no longer relied on such techniques as objection handling and closing 3 We could also convince Huthwaite that the companies he listed were teaching the traditional models of probing with open and closed questions overcoming objections and closing We helped several companies replace their traditional sales training with new and more powerful training 4 The traditional theories of selling suggest that the best way to sell is to find ways to relate to the buyer's personal interests and make initial benefit statements However our research shows that these methods are ineffective in larger sales *Selling with Intergrity* Sharon Drew Morgan,1999-11 Introducing The Morgen Buying Facilitation Method the first wholly new sales paradigm based on the idea that buyers have their own answers *Textile World* Walter S. Kelley, Henry G. Lord, Walter Bradford Guild, Henry Gratton Kittredge, Samuel Sherman Dale, Charles Hiram Clark, Vernon E. Carroll, Clarence Hutton, 1881-, Douglas Gordon Woolf, 1929 Selling Kenneth L. Lloyd, 2001 Featuring full color photos and illustrations expertly written text and helpful diagrams and charts this new title shows how to master the art of professional sales negotiations and techniques
