## **Attila:**

**Attila** John Man,2006-07-11 Chronicles the life of Attila the Hun focusing on his conflicts with the Roman Empire his influence over the history of Europe his image in the modern world his reputation for savagery and other related topics

**Attila, King of the Huns** Patrick Howarth,1994 Attila the Hun has been known to the world for centuries as a bloodthirsty tyrant and as little else In this piece of historical reconstruction Patrick Howarth shows how wrong the judgement of the world has been Amazon com **Attila, King of the Huns, and His Predecessors: a Historical Treatise** William Herbert,2015-12-07 Attila Emperor of the Hunnic Empire and thus most commonly known as Attila the Hun is an idiosyncratic figure who has become more myth than man not least because much of his life is shrouded in mystery Perhaps the most famous barbarian in history Attila was the lord of a vast empire spanning two continents but he is best remembered for what he did not conquer Though he seemingly had Rome at his mercy in 452 he ultimately decided not to sack the Eternal City and a year later he had suffered a mysterious death What is known about Attila came mostly from Priscus a guest of his court who wrote several books about Attila s life in Greek Unfortunately much of that work was lost to history but not before the ancient writer Jordanes relied on it to write his own overexaggerated account of Attila s life And like their leader the Huns themselves are an instantly recognizable name with mysterious origins most of what is known about the Huns came from Chinese sources thousands of miles and an entire continent away from Italy Naturally the dearth of information and the passage of time have allowed myths and legends to fill in the most important details of Attila s life Why did a man at war with the Roman Empire for so long decide not to sack Rome in 452 Did a meeting with Pope Leo the Great convince him to spare the capital of the Western half of the empire Did a vision from St Peter induce Attila to convert to Christianity Was Attila murdered by his new bride Many authors and chroniclers have provided many answers to the many questions but the lack of answers has allowed Atilla to become the face of ancient barbarity and the embodiment of the furious nomadic conqueror **Attila the Hun** Arthur K. Britton,2016-07-15 The Romans called Attila the Hun the Scourge of God and he stands out as one of the most brutal barbarians of the ancient world Though historians know surprisingly little about Attila what they do know confirms that he was an incredibly successful leader He united bands of his people to conquer large sections of Europe in the fifth century The vicious tactics of these nomadic peoples are matched only by the storied biography of their leader This fascinating account of Attila is supported by ancient primary sources as well as imaginative artwork depicting the ruler and his people *Attila the Hun* Bonnie Harvey,2013 Using what he learned from Roman soldiers as a child hostage Attila the Hun eventually returned to his native tribe of the Huns and unified them into a powerful army Attila Franz H. Bäuml,Marianna D. Birnbaum,1993 ATILLA, V.1 - END OF THE WORLD WILL COME FROM THE William Napier,2010-02-02 A stunning historical novel the first in an epic trilogy about the rise and fall of one of history s greatest villains *Attila, King of the Huns* Robert N. Webb,1965 Grades 7 9 Attila, the Hun Bonnie C. Harvey,2003

Describes the life of Attila leader of the Huns and his attempt to conquer the Roman Empire *Attila* George Payne Rainsford James,1837 *Attila, My Attila* Michael Field,1896 **Attila** Laurence Binyon,1907 *Attila* Marcel Brion,1929

**Legends of the Ancient World** Charles River Charles River Editors,2017-12-30 Includes Priscus contemporary account of Attila and his Court Includes contemporary and medieval accounts of Attila s meeting with Pope Leo the Great and the Battle of Chalons Includes pictures of historic art depicting Attila and important people and events in his life Includes a Bibliography for further reading A luxurious meal served on silver plate had been made ready for us and the barbarian guests but Attila ate nothing but meat on a wooden trencher In everything else too he showed himself temperate his cup was of wood while to the guests were given goblets of gold and silver His dress too was quite simple affecting only to be clean The sword he carried at his side the latches of his Scythian shoes the bridle of his horse were not adorned like those of the other Scythians with gold or gems or anything costly Priscus History of Bizantium A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors Legends of the Ancient World series readers can get caught up to speed on the lives of antiquity s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Attila Emperor of the Hunnic Empire and thus most commonly known as Attila the Hun is an idiosyncratic figure who has become more myth than man not least because much of his life is shrouded in mystery Perhaps the most famous barbarian in history Attila was the lord of a vast empire spanning two continents but he is best remembered for what he did not conquer Though he seemingly had Rome at his mercy in 452 he ultimately decided not to sack the Eternal City and a year later he had suffered a mysterious death What is known about Attila came mostly from Priscus a guest of his court who wrote several books about Attila s life in Greek

Unfortunately much of that work was lost to history but not before the ancient writer Jordanes relied on it to write his own overexaggerated account of Attila's life. And like their leader the Huns themselves are an instantly recognizable name with mysterious origins most of what is known about the Huns came from Chinese sources thousands of miles and an entire continent away from Italy. Naturally the dearth of information and the passage of time have allowed myths and legends to fill in the most important details of Attila's life. Why did a man at war with the Roman Empire for so long decide not to sack Rome in 452? Did a meeting with Pope Leo the Great convince him to spare the capital of the Western half of the empire? Did a vision from St Peter induce Attila to convert to Christianity? Was Attila murdered by his new bride? Many authors and chroniclers have provided many answers to the many questions but the lack of answers has allowed Attila to become the face of ancient barbarity and the embodiment of the furious nomadic conqueror. *Legends of the Ancient World: The Life and Legacy of Attila the Hun* discusses the facts, myths, and legends surrounding the life of Attila, examining the historical record and the way in which his legacy has been shaped, all in an attempt to separate fact from fiction. Along with pictures and a bibliography, you will learn about Attila the Hun like you never have before in no time at all.
