## Blade Authors Guild:

*The Writer*, 1894     **The Writer** William Henry Hills, Robert Luce, 1894     Girl Sleuth Melanie Rehak, 2006 The brainchild of children's book mogul Edward Stratemeyer Nancy Drew was brought to life by two women In a century spanning story Rehak traces their roles and Nancy's in forging the modern American woman     **Who's who Among North American Authors** Alberta Lawrence, 1927 Covering the United States and Canada with their possessions and neighbors and containing the biographical and literary data of living authors whose birth or activities connect them with the continent of North America with a press section devoted to journalists and magazine writers varies slightly     Blade of the Guild Renee Joiner, 2022-09-23 Street magician Blade Verick never met a soul he couldn't charm out of a few bucks or a begrudging smile Until he felt the bone reaching chill of a Hunter Now he's racing against time and a legacy of magic that he never wanted to protect a strange and powerful book his mentor left behind and his own dangerous powers But his newly awakened and wildly uncontrollable magic blows up the spell book The very thing he needs to figure out his powers and the only surviving pages may not be enough to save him or the new world he's found in the Guild Underground And that leaves Blade between a rock and a hard bargain as the pretty null gatekeeper to the Guild itself has a price he must pay for her help waking her own forbidden magic But that price might be too high and Blade already has more on his spinning plates than he can handle in one lifetime Good thing he's found out he has more than one     **Time** Briton Hadden, Henry Robinson Luce, 1927 Reels for 1973 include Time index 1973     The Law for Comic Book Creators Joe Sergi, 2015-02-13 Since the creation of the comic book cases of legal conflict and confusion have often arisen where concepts such as public domain unincorporated entities and moral rights are involved As a result comics creators are frequently concerned about whether they are protecting themselves There are many questions and no single place to find the answers that is until now Entertaining as it instructs this book seeks to provide those answers examining the legal history of comics and presenting information in a way that is understandable to everyone While not seeking to provide legal advice this book presents the legal background in plain English and looks at the stories behind the cases Every lawsuit has a story and every case has lessons to be learned As these lessons are explored the reader will learn the importance of contracts the basics of copyright and trademark the precautions necessary when working with public domain characters and the effects of censorship     Lost in the Rentharpian Hills R. Dixon Smith, 1985 R Dixon Smith has captured the enchanting story of the well known pulp writer Carl Jacobi Jacobi wrote many fantasy and weird tales while leading a somewhat bizarre yet magical life     **International Who's Who of Authors and Writers 2004** Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists

authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters

*Artificial Intelligence and Law in the Communication Professions* Cayce Myers, 2025-06-06 This book analyzes the current attempts to regulate artificial intelligence AI and its impact on the communication field Examining existing and proposed laws policies and regulations of AI in the U S and the European Union this book analyzes how the technological development of AI will be governed in the next decade and how this will impact the communication industry Chapters explore the influence of laws on key communication issues including free speech disinformation intellectual property privacy and discrimination as well as the AI industry s approach to self regulation It shows how communication professionals such as public relations practitioners advertisers and journalists will be affected by generative AI content production and how communication will ultimately be shaped by the regulations and laws placed on AI Providing readers with a working knowledge of the contemporary legal issues surrounding AI and communication this book will be of interest to scholars and students in the fields of Media and Communication Law Public Relations Advertising and Journalism

The American Catalogue ,1901 American national trade bibliography Who's who in the East ,1985 **The Future of Copyright in the Age of Artificial Intelligence** Gaon, Aviv H., 2021-09-07 The Future of Copyright in the Age of Artificial Intelligence offers an extensive analysis of intellectual property and authorship theories and explores the possible impact artificial intelligence AI might have on those theories The author makes compelling arguments via the exploration of authorship ownership and artificial intelligence
