**Bolshevism: The Road to Revolution** Alan Woods, 2018 There have been a multitude of histories of Russia either written from an anti Bolshevik perspective or its Stalinist mirror image which both paint a false image of Bolshevism For them the Russian Revolution was either an historical accident or tragedy or is presented as the work of one great man Lenin who marched single mindedly towards October Using a wealth of primary sources Alan Woods reveals the real evolution of Bolshevism as a living struggle to apply the method of Marxism to the peculiarities of Russia Woods traces this evolution from the birth of Russian Marxism and its ideological struggle against the Narodniks and the trend of economism through the struggle between the two strands of Menshevism and Bolshevism and up to the eventual seizure of power Bolshevism The Road to Revolution is a comprehensive history of the Bolshevik Party from its early beginnings through to the seizure of power in October 1917 This important work was first published in 1999 with material collected by the author over a thirty year period and was republished to mark the centenary of the Russian Revolution It represents the authoritative work on the building of the Bolshevik Party and can be used as a handbook for those involved in the movement today
