**International Fashion Marketing** Kamilla Jones, 2026-01-03 Ideal for upper level undergraduate and postgraduate students studying Fashion Marketing Management and Merchandising this textbook considers how fashion brands adapt their products and marketing strategies and campaigns to align with regional preferences and cultural differences International Fashion Marketing looks at how successful brands Craft a distinct image voice and aesthetic that reflects their values whether it's luxury sustainable or trend driven fashion Develop relationships with consumers and build communities through digital channels retail and international exhibitions experiences and events Consider the broader issues of sustainability and ethical fashion practices in line with brand ethos and consumer expectations This textbook will help students to create impact through branding marketing and consumer engagement in a global fashion industry Real world examples are included from fast fashion to luxury brands such as Shein Uniqlo Nike Louis Vuitton and Jacquemus Online resources offer additional support with PowerPoint lecturer slides and more real world examples from leading fashion brands

**Faceless Brand Building on TikTok** Sofia Lane, 2026-02-23 The creator economy has long assumed that visibility requires vulnerability that building an audience demands a face a name and a personal narrative placed permanently in public view Faceless Brand Building on TikTok examines the emerging pattern of operators who have systematically dismantled that assumption constructing loyal commercially viable audiences on one of the world's most personality driven platforms without ever appearing on screen This book explores the structural dynamics behind faceless content strategies how anonymous creators design distinctive brand identities maintain consistent voice and sustain audience engagement through intentional content systems rather than

personal charisma It examines the tension between the platform s algorithmic preference for authenticity and the strategic advantage of separating a brand s identity from any single individual s presence Rather than framing anonymity as a limitation the book reframes it as a deliberate positioning choice one that creates operational flexibility protects long term privacy and allows content assets to function independently of their creator It navigates the creative and strategic disciplines required to build recognizable trustworthy brand presence through visuals voice narrative structure and community dynamics alone For the entrepreneur seeking durable audience assets without permanent personal exposure this is an exploration of how faceless brands operate compound and sustain themselves in the attention economy of 2026 *The Ultimate Social Media Hashtag Strategy Guide (2025-2026 Edition)* Ritesh Patil,2025-12-24 Hashtags are not dead but the way most people use them is In 2025 social media platforms no longer reward spammy hashtag blocks or viral guessing games Growth now depends on relevance intent and strategic keyword alignment This practical step by step guide shows you exactly how hashtags work today and how to use them to drive real organic growth Whether you are a content creator influencer small business owner or marketer this book will teach you how to use hashtags as a powerful discovery and conversion tool across all major platforms Inside this book you will learn How social media algorithms actually interpret hashtags The proven 3 layer hashtag framework used by high growth accounts Platform specific strategies for Instagram TikTok YouTube Shorts and X How to find low competition hashtags in any niche How to avoid shadowban myths and reach killing mistakes How to use AI tools to generate smarter safer hashtag sets How to track hashtag performance and optimize for growth Ready to use hashtag blueprints for multiple industries This book is not theory It is a practical execution guide designed to help you increase reach engagement followers and conversions without paid ads If you want consistent organic growth in a competitive social media landscape this guide gives you the system **Secret Guide to Earn Millions on TikTok And Become Trend Maker** Poonam Patel,2020-07-21 How To Be An Influecer Attract Millions of Followers and Create a Personal Brand on TikTok Do you want to become the next person making tiktok trends make interesting tik tok musically that will go viral and make money on this crazy new platform Are you a brand manager or a business owner looking to expand your market and advertise on TikTok If that s the case this is just the book for you TikTok is all the rage these days TikTok is a great platform for brands and businesses that want to appeal to younger audiences and expand their brand beyond social media marketing This book will teach you how to do exactly that What are the most important features on TikTok and how to get started How to become famous and attract millions of followers Teach you how to use each major platform and help you make a plan on how to market social media support A great book on how to become a millionaire And so much more THE FUTURE IS NOW NOT SO FAR DO NOT MISS THIS OPPORTUNITY TO KEEP WITH IT Request your copy of TIK TOK 2020 now and start improving your business today *Creating Viral TikToks Using CapCut* Chin Lux,2026-01-06 I am giving out this book for just 2 to the first 100 people Turn Your TikToks Into Viral Hits Even If You re a
