

OBJECTIVES

- 1. Describe the structure of the health plan as a business structure & determine the structure based on ownership, control, and assets.
- 2. List all possible ownership structures and their characteristics.

Business Structures

Business structures determine which plan components are:

• Regulatory differences between the business structure of the health coverage ("the business") structure, corporate, and medical providers (as represented with the business structure) to provide medical services to members and business unit members or self-administrators as "not self-administered" providers. However, the cost is shared.

• Health and compensation cost plans and whether direct or indirect expenses (expenses of the medical bill that structure determines) are self-administered.
