Heart Trouble Jae:

Heart Trouble, 2016 Award winning author Jae's newest lesbian novel is a medical romance with a few unexpected turns. Dr. Hope Finlay loves her job as an emergency room physician especially since it allows her only brief encounters with her patients. She learned early in life not to get attached to anyone because it never lasts. Laleh Samadi, a waitress at her aunt's restaurant, is the exact opposite. She easily connects with people and loves her big boisterous Persian family despite their tendency to meddle in her life. When Laleh needs to be rushed to the ER with heart trouble, Hope saves her life. Afterwards, strange things begin to occur. Why does Laleh suddenly know even the most obscure diseases while Hope is fluent in Farsi? Soon they can no longer deny that there's a mysterious connection between them, one that becomes stronger with each passing day. Are they losing their minds or their hearts?

Sometimes when you ask the universe for your soulmate you wind up with your hate mate instead. On Nami's 30th birthday she's reminded at every turn that her life isn't what she planned. She's always excelled at everything until now. Her fiancé blew up their engagement. Her pride and joy, the tech company she helped to found, is about to lose funding. And her sister Sora is getting married to the man of her dreams. Jack and instead of being happy for her as she knows she ought to be, she's fighting off jealousy. Frustrated with her life, she makes a wish on a birthday candle to find her soulmate. Instead, the universe delivers her hate mate, Nami's old high school nemesis, Jae Lee, the most popular kid from high school who also narrowly beat her out for valedictorian. More than a decade later, Jae is still as effortlessly cool, charming, and stylish as ever, and to make matters worse, is planning a hostile takeover of her startup. Cue sharp elbows and even sharper banter as the two go head to head to see who'll win this time. But when their rivalry ignites a different kind of passion, Nami starts to realize that it's not just her company that's in danger of being taken over, but her heart as well. Readers will cheer on this pair of sparring hearts.
