Loose Leaf Version of Essential Life-Span Development and Connect Access Card John Santrock, 2013-01-07 Why are you assigning or considering a brief Human Development text? Is it because your students do not complete the reading in a comprehensive text? Do you run out of time trying to cover the entire lifespan over the course of a few months? Do your students struggle to retain the sheer volume of information in the course? Instructors across the country looking for a streamlined text that captures the core concepts of life span development are excited for John Santrock's Essentials of Life Span Development 3e. Essentials of Life Span Development 3e was developed to help meet the ever-changing needs of students in the lifespan course. Knowing that students do not often read the text and have poor study skills, Essentials introduces LearnSmart, McGraw-Hill's adaptive study tool that helps students know what they know and more importantly, what they don't know, to become more efficient and effective learners. Connect is the only integrated learning

system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective Based on hallmark features its expert contributors updated research and focus on applications Santrock provides the most dependable and current presentation of life span development available and he does so in a briefer format with LearnSmart helping to ensure that your students will read and appreciate the material while seeing the applications to their everyday life McGraw Hill s new Milestones video and assessment program helps bring the course material to life so your students can witness development as it unfolds [Loose Leaf for Essentials of Life-Span Development](#) John W Santrock,2019-01-07 Connecting research and results As a master teacher John Santrock connects students to current research and real world application helping students see how developmental psychology plays a role in their own lives and future careers Through an integrated personalized digital learning program students gain the insight they need to study smarter and improve performance [Loose Leaf for Essentials of Life-Span Development with Connect Access Card](#) John Santrock,2014-11-17 Santrock connecting research and results As a master teacher Santrock connects students to current research and real world application His integrated personalized learning program gives students the insight they need to study smarter and improve performance Connect with Life Span Development and connect with success Essentials of Life Span Development 4e was developed to help meet the ever changing needs of students in the lifespan course Research shows that students today learn in multiple modalities Not only do their work preferences tend to be more visual and more interactive but their reading and study sessions often occur in short bursts With shorter chapters and the LearnSmart interactive study modules Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective LearnSmart helps ensure that your students read and appreciate the material while McGraw Hill s Milestones video series helps bring the course material to life so your students can witness real children achieving their developmental milestones Regardless of individual study habits preparation and approaches to the course Essentials connects with students on a personal individual basis and provides a road map for success in the course
