Line Up Poster Leeds Festival:

Festivals Oliver Keens, 2021-08-31 Festivals is a must have guide to festival culture showcasing the world's best and most significant events

Unapologetic Expression André Marmot, 2024-04-30 A CLASH MUSIC BOOK OF THE YEAR 2024 A lively subversive history of the new UK jazz wave encapsulating its revolutionary spirit and tracing its foundations to birth of the genre itself Not solely a book about jazz or even a nascent cultural shift it's a record of a pivotal moment in UK history

BIG ISSUE By the end of the last century jazz music was considered by many to be obsolete and uncool a genre appreciated only by out of touch white men with deeply questionable taste And yet by 2019 a new generation of UK jazz musicians was selling out major venues and appearing on festival line ups around the world How has UK jazz rehabilitated its image so totally in twenty five years And how did it ever become uncool in the first place Reaching back to the roots of jazz as the unapologetic expression of oppressed peoples shaped by the forces of slavery imperialism and globalisation Andre Marmot places this new wave within the wider context of a divided postcolonial Britain navigating its identity in a new world order These artists have crafted a sound which reflects the nation as it is today a sound connected to the very origins of jazz itself Drawing on eighty six interviews with key architects of this jazz renaissance and those who came before them from Shabaka Hutchings Nubya Garcia and Moses Boyd to Gilles Peterson Courtney Pine and Cleveland Watkiss Unapologetic Expression captures the radical spirit of a vital British musical movement A breathless run through of an inspiring era in British music Unapologetic Expression contains deft character sketches and vivid memories pausing to nail ineffable moments from recording sessions and gigs Andre Marmot's role as an insider grants the book a degree of intimacy other writers may have lacked

CLASH *Quiet Storm* Kimberly Whittam, 2023-06-08 A captivating story about shyness and strength reassuring and empowering Sophie Anderson author of *The House with Chicken Legs* No matter how quiet it is you've got a voice Storm You should use it to speak up for yourself Storm has never liked to stand out from the crowd but ever since she started Year 7 her life has been full of people telling her she needs to speak up make friends and be more like her popular big brother Then Storm breaks a school record and finds herself the new star of the athletics team But as she's thrust into the spotlight her home life and friendships start spiralling out of control and it's time for Quiet Storm to show that she has something to say A tender empowering novel about family friendship and finding confidence in who you are

Hope and Glory Stuart Maconie, 2012-05-10 In *Hope and Glory* Stuart Maconie goes in search of the days that shaped the Britain we live in today Taking one event from each decade of the 20th century he visits the places where history happened and still echoes down the years Stuart goes to Orgreave and Windsor Wembley and Wootton Bassett assembling a unique cast of Britons from Sir Edmund Hillary to Sid Vicious along the way It's quite a trip full of sex and violence and the occasional scone and jigsaw From pop stars to

politicians Suffragettes to punks this is a journey around Britain in search of who we are [Hawkwind: Days of the Underground](#) Joe Banks,2021-02-24 An account of the English rock band Hawkwind shows them to be one of the most innovative and culturally significant bands of the 1970s Fifty years on from when it first formed the English rock band Hawkwind continues to inspire devotion from fans around the world Its influence reaches across the spectrum of alternative music from psychedelia prog and punk through industrial electronica and stoner rock Hawkwind has been variously if erroneously positioned as the heir to both Pink Floyd and the Velvet Underground and as Britain s answer to the Grateful Dead and Krautrock It has defined a genre space rock while operating on a frequency that s uniquely its own Hawkwind offered a form of radical escapism and an alternative account of a strange new world for a generation of young people growing up on a planet that seemed to be teetering on the brink of destruction under threat from economic meltdown industrial unrest and political polarization While other commentators confidently asserted that the countercultural experiment of the 1960s was over Hawkwind took the underground to the provinces and beyond In Days of the Underground Joe Banks repositions Hawkwind as one of the most innovative and culturally significant bands of the 1970s It s not an easy task As with many bands of this era a lazy narrative has built up around Hawkwind that doesn t do justice to the breadth of its ambition and achievements Banks gives the lie to the popular perception of Hawkwind as one long lysergic soap opera with Days of the Underground he shows us just how revolutionary Hawkwind was *The Musical World* ,1888
