March 2017 Church Of Scotland:

From Easter to Holy Week Laura E. Moore, 2019-10-07 The story of the twentieth century Liturgical Movement is more than anything else about the rediscovery and renewed understanding of the fundamental reality of the Paschal Mystery and of the Paschal identity of the Church This identity is expressed and celebrated whenever the Body of Christ every member welcomes new members in the waters of baptism and feasts with them in the Eucharist especially as these are celebrated during Holy Week This book explores this rediscovery first in the Roman Catholic Church and then in the Episcopal Church and other Churches of the Anglican Communion and looks in particular at how both grassroots and official work played a role in renewing and restoring the liturgical celebrations of Holy Week Bridging Boundaries in British Migration History Marie Ruiz, 2020-09-28 This memorial book honours the legacy of Eric Richards s work in an interplay of academic essays and personal accounts of Eric Richards Following the Eric Richards methodology it combines micro and macro perspectives of British migration history and covers topics such as Scottish and Irish diasporas religious labour and wartime migrations Eric Richards was an international leading historian of British migration history and a pioneer at exploring small and large scale migrations His last public intervention given in Amiens France in September 2018 opens the book It is preceded by a tribute from David Fitzpatrick and Ngaire Naffine s eulogy This book brings together renowned scholars of British migration history The book combines local and global migrations as well as economic and social aspects of nineteenth and twentieth century British migration history *Faithful Witness* EDITED BY ROBERT BEAKEN; FOREWORD BY ARCHBISHOP JUSTIN WELBY, 2020-09-30 In May 1931 Alan Don travelled from Dundee to Lambeth Palace to become Chaplain to Archbishop Cosmo Lang During that journey he began a diary He kept it faithfully for the next fifteen years during which he also became Chaplain to the King and to the Speaker of the House of Commons These positions afforded him a ringside view of some of the most momentous events in both British and world history including the abdication of Edward VIII the coronation of George VI the rise of Hitler and the trauma of the Second World War Now for the first time these fascinating diaries are laid open They offer a wealth of detailed insight into the ecclesiastical royal and parliamentary affairs of Britain and her life during two historically significant decades They also open a window on the history of the Church of England and its role in the social political and military upheavals of the 1930s and 40s Anyone who wants to know more about how Great Britain survived those turbulent times will be amply rewarded by this engaging perceptive and revealing eye witness account *An Intellectual Biography of Africa* Francis Kwarteng, 2022-07-13 Africa is the birthplace of humanity and civilization And yet people generally don t want to accept the scientific impression of Africa as the birthplace of human civilization The skeptics include Africans themselves a direct result of the colonial educational systems still in place across Africa and even those Africans who acquire Western education particularly in the humanities have been trapped in the symptomatology of epistemic peonage These colonial educational systems have overstayed their welcome and should be dismantled This is
