and against the war it waged on understanding itself which ensured the unobstructed reemergence of the old Soviet order in the form of today's terrifying and seemingly unstoppable mafia state. Powerful and urgent *The Future Is History* is a cautionary tale for our time and for all time.

The Digital Photography Book, Part 5 Scott Kelby, 2014-07-21 Scott Kelby author of the top selling digital photography book of all time is back with an entirely new book in his popular series that picks up right where part 4 left off. It's more of that Ah ha so that's how they do it straight to the point skip the techno-jargon stuff you can really use today that made part 1 so successful. In parts 1 through 4 of this series the most popular chapter in the book has always been the last chapter Photo Recipes to Help You Get The Shot. In each of those chapters Scott shows a final image and then describes how to get that type of shot. Here in part 5 he gives you what you've been waiting for an entire book of nothing but those amazing photo recipes. But he took it up a big notch by adding a behind the scenes photo for every single recipe. Now you can see exactly how it was done so you can get that exact same look every time. In these extra pages each spread allows you to dig in a little deeper and really unlock the power of these recipes. Scott breaks each spread into four segments 1 he explains exactly what you're seeing behind the scenes 2 he lists all of his camera settings and lens and lighting info it's all there 3 he gives you his thought process so you learn exactly why he does it this way and 4 he shares all the post processing in Lightroom or Photoshop that goes on after the shoot this is something other books leave out. Plus the whole book is packed with tips and insights you won't find anywhere else. This isn't a book of theory full of confusing jargon and detailed concepts. This is a book on which button to push which settings to use and exactly how and when to use them. With around 100 of the most popular photographic tricks of the trade the entire book is designed to get you shooting like a pro starting today. You're gonna love it.
