Dominique Smith, Douglas Fisher, Nancy Frey, Vincent Pompei, Rachael Stewart, 2024-03-04. Unlock a treasure trove of learning: make room for belonging in school. Belonging is an instinctual feeling you know when you feel it and you really know when you don't. Creating a sense of belonging in the classroom has a significant impact on student learning and well-being; it serves as a gatekeeper for other aspects of learning to take root. But how do we create classrooms and schools where every student knows they belong? This easy-to-use, illustrated playbook has you covered. 11 evidence-based modules feature actions and strategies that teachers can apply to help students feel more included. Interactive features such as essential questions and reflective prompts are designed to engage educators and deepen their understanding of the importance of connection and belonging in a student's educational experience. Readers will find detailed coverage of the 11 dimensions of belonging. Evidence-based actions in every module help foster belonging, balanced between elementary and secondary levels. Interactive features like Essential Questions, Two Truths and a Lie, Case in Point, What's Your Advice, and What's Next facilitate engagement and reflection. A highly visual, illustrated style promotes comprehension and information retention. By utilizing this playbook's strategies to create environments where students feel a sense of belonging, educators can help improve learning outcomes and academic performance while supporting the overall well-being of their students. Resilient Organizations Erica Seville, 2016-11-03. What differentiates resilient organizations from those that are not? Do we need to wait until a crisis strikes to see how resilient an organization is? Resilient Organizations draws on primary research to reveal the answers to these questions and provides practical ideas and actions to make your own organization more resilient. Organizational resilience is about creating organizations with the agility to adapt to unexpected challenges and the capacity to seize opportunity out of adversity. Dr. Erica Seville, founder of the Resilient Organizations research programme, provides readers with the essential knowledge required to enable organizations to thrive in a world of change and uncertainty. Drawing on a decade of research, her team has identified 13 indicators to diagnose an organization's resilience. Resilient Organizations draws out the top five ingredients and shows how organization resilience is a capability that can and must be proactively fostered and maintained over time. Using case studies, diagnostic tools, and key actions and initiatives to develop and maintain organizational resilience, Resilient Organizations is essential reading for everyone tasked with developing
