The Evolution Of Business Strategy:

The Evolution of Strategy Daniel Gamper, 2007 Strategy arguably one of the most abstract elements that leaders have to deal with But where did it come from and how will it develop in the future That is the framework within which this book will take a closer look at the phenomenon strategy Development tendencies in the field of strategy are found and possible future trends are extrapolated A historical overview is created to map out the roots of strategy found in military thinking The focus is then shifted to strategy in the business environment An analysis is made identifying the general development trends in the field of strategy This includes a closer look at two essential phenomena globalization as well as alliances and networking The analysis is used as a basis to extrapolate what business strategy will be about in the future This general forecast includes basic implications and suggestions for companies on how to prepare for the future The book offers basic research along with practically relevant insights incorporating content for both those interested in the historical evolution of strategy military or business wise as well as decision makers looking for a new perspective on the topic of strategy

The Seven Success Factors of Social Business Strategy Charlene Li, Brian Solis, 2013-06-19 How to align social media with business strategy for real results For years now businesses have approached social media in an experimental fashion unconnected to real results There s a reason why the question about ROI is met with such hostility But it s time for businesses to get serious about social In this concise e book noted authors and disruptive technology analysts Charlene Li and Brian Solis present seven powerful factors for designing and supporting an effective social business strategy Li and Solis studied how the best companies create measurable value that aligns with overall business objectives and outline how to incorporate these insights into your strategy and planning process Li and Solis focus their findings and recommendations on how to convince and even rally decision makers at the executive level Based on interviews with thought leaders surveys and extensive research they show you how to define your social strategy create alignment across the organization and use that strategy to support overall business success Offers actionable best practices for getting the most bang for your social marketing buck Explains seven key success factors for effective social marketing that cover everything from long term vision and executive support to staffing and technology investment Written by Charlene Li bestselling author of Open Leadership and Brian Solis bestselling author of What s the Future of Business The End of Business as Usual and Engage

Digital Business Strategy: An Investigation of Generic Types, Performance Implications, and Path Dependence Hannes Kurtz, 2021-03-30 In an ever more digitized world it necessary to embed digital technology in business strategy leading to an overarching phenomenon called the digital business strategy Accordingly this thesis sets out to advance the understanding the digital business strategy concept in general as well as its influence on a company s performance At the same time incumbents are often constrained by path dependencies and inertia as executives tend to make use of prior experiences and favor strategic choices they are familiar with over unfamiliar As a consequence companies may stick to a specific path which

restrains transformational change Accordingly the study elucidates the ongoing digital transformation as it manifests itself in the evolution of incumbents digital business strategies In addition this thesis seeks to derive important implications for business practice as it helps practitioners to develop a better understanding of digital business strategies especially considering that digitalization challenges the conventional wisdom of competition This is particularly important as with increasing digitalization tightly integrated digital business strategies will be among the biggest determinants of a company's future success In einer immer stärker digitalisierten Welt ist es wichtig digitale Technologien in die Geschäftsstrategie eines Unternehmens einzubetten was zu einem bergreifenden Phänomen führt das als digitale Geschäftsstrategie bezeichnet wird Dementsprechend zielt diese Arbeit darauf ab das Verständnis des Konzepts der digitalen Geschäftsstrategie im Allgemeinen sowie dessen Einfluss auf die Performance eines Unternehmens zu verbessern Gleichzeitig sind etablierte Unternehmen oft durch Pfadabhängigkeiten und Trägheit eingeschränkt da Führungskräfte dazu neigen auf frühere Erfahrungen zurückzugreifen und strategische Entscheidungen mit denen sie vertraut sind gegenüber unbekanntem Optionen zu bevorzugen In der Folge verharren Unternehmen auf einem bestimmten strategischen Pfad was transformatorischen Wandel hemmt Dementsprechend beleuchtet die Studie die laufende digitale Transformation und wie diese sich in der Entwicklung der digitalen Geschäftsstrategien etablierter Unternehmen manifestiert Darüber hinaus versucht diese Arbeit wichtige Implikationen für die Unternehmenspraxis abzuleiten da sie Praktikern hilft ein besseres Verständnis für digitale Geschäftsstrategien zu entwickeln insbesondere in Anbetracht der Tatsache dass die Digitalisierung die konventionelle Weisheit des Wettbewerbs herausfordert Dies ist besonders wichtig da mit zunehmender Digitalisierung eng integrierte digitale Geschäftsstrategien zu den größten Determinanten für den zukünftigen Erfolg eines Unternehmens gehören werden

The Evolution of Modern Strategy from the XVIIIth Century to the Present Time Frederic Natusch Maude,1905

Strategic Changes for Business Models in the German Retail Banking Industry in the Post Financial Crisis Era Tobias Pommerening,2010-10-15

Bachelor Thesis from the year 2010 in the subject Business economics General grade 2 0 Baden Wuerttemberg Cooperative State University DHBW language English abstract The Great Recession as the global financial meltdown has come to be called has had devastating effects on the global economic landscape particularly on the banking industry While the big multinational investment banks that were at the heart of this crisis were hit most severely with players such as Lehman Brothers Inc among others disappearing from the financial landscape retail banks institutions primarily engaged in the standard banking business with private customers also suffered considerably from the global collapse of financial markets 1 Unlike their multinational counterparts however retail banks cannot rely on profitable mergers and acquisition activities or proprietary trading to boost income once the economy picks up again While the challenges created by the Great Recession for retail banks are complex they are not the only threat to longrun profitability In many markets especially in the mature western European ones other dark clouds appear on the horizon To name only a few plummeting sales narrowing profit margins consumers lack of confidence in the banking system and operational cost problems threaten retail banks in mature markets such as Germany 2 Postbank a major German retail bank with a strong domestic customer base is one of the players that have to make strategic adjustments to cope with a changing economic landscape But what will these strategic adjustments be and in which priority do they need to be undertaken Although literature on the financial crisis and expected changes in banking industry is paramount so far little attention has been given to showing how strategy in the retail banking

segment in the distinct geographic location of Germany will have to look like for a specific player in the post financial crisis era

Contemporary Strategy Analysis Text Only Robert M.
