Liars Poker:

Liar's Poker Michael Lewis, 2010-03-02 The author recounts his experiences on the lucrative Wall Street bond market of the 1980s where young traders made millions in a very short time in a humorous account of greed and epic folly **Liar's Poker** Michael Lewis, 2006 The original classic that revealed the truth about ambition greed and excess in London and Wall Street by the author of bestsellers THE BIG SHORT and THE PREMONITION _____ The time was the 1980s The place was Wall Street The game was called Liar s Poker Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers one of Wall Street s premier investment firms During the next three years Lewis rose from callow trainee to bond salesman raking in millions for the firm and cashing in on a modern day gold rush From mere trainee to lowly geek to triumphal Big Swinging Dick that was Michael Lewis s pell mell progress through the dealing rooms of Salomon Brothers in New York and London during the heady mid 80s when they were probably the world s most powerful and profitable merchant bank Funny frightening breathless and heartless Liar s Poker is the original story of hysterical greed and excessive ambition one that is now more potent and enthralling than ever _____ If you thought Gordon Gekko of the Wall Street movie was an implausibly corrupt piece of fiction see how you like the real thing This rip the lid off account of the bond dealing brouhaha is the work of a real life bond salesman The Sunday Times So memorable and alive one of those rare works that encapsulate and define an era Fortune The funniest book on Wall Street I ve ever read Tom Wolfe Wickedly funny Daily Express Hilarious New York Times **Liar's Poker** Michael Lewis, 2010-03-15 The time was the 1980s The place was Wall Street The game was called Liar s Poker Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers one of Wall Street s premier investment firms During the next three years Lewis rose from callow trainee to bond salesman raking in millions for the firm and cashing in on a modern day gold rush Liar s Poker is the culmination of those heady frenzied years a behind the scenes look at a unique and turbulent time in American business From the frat boy camaraderie of the forty first floor trading room to the killer instinct that made ambitious young men gamble everything on a high stakes game of bluffing and deception here is Michael Lewis s knowing and hilarious insider s account of an unprecedented era of greed gluttony and outrageous fortune

Liar's Poker Michael Lewis, Michael M. Lewis, 1999 From mere trainee to lowly geek to triumphal Big Swinging Dick that was Michael Lewis pell mell progress through the dealing rooms of Salomon Brothers in New York and London during the heady mid 1980s when they were probably the world s most powerful and profitable merchant bank A true life Bonfire of the Vanities funny frightening breathless and heartless his is a tale of hysterical greed and ambition set in an obsessed enclosed world **Moral Imagination and Management Decision-making** Patricia Hogue Werhane, 1999 Why do good people do ethically questionable things Why do reputable businesses ignore the harmful consequences of their actions These questions continue to challenge philosophers legal scholars and corporate leaders In this pathbreaking book Patricia

Werhane sets forth a model that explains ethical failings in business and shows how to transcend them. Deleterious corporate actions are often attributed to simple greed and regulations have traditionally been enacted to counter them. But Werhane argues that most corporate managers are not without moral sensibilities nor are they motivated primarily by greed or self interest. Indeed, companies themselves often attempt to improve ethical behavior. Most American companies today have values statements and ethics training is widespread but applying moral principles to practical decision making has not been entirely successful. What is missing according to Werhane is a highly developed moral imagination that enables managers and the companies they run to be aware of, evaluate and change the mental models that often constrict business behavior. The development of moral imagination is not identified merely with increased sensitivity to the existence of ethical issues in business. It includes awareness of the mind sets that govern managerial and corporate decision making, the development of reasoning skills to evaluate and moderate these mind sets, and creativity to ponder viable alternative solutions to what appear to be insoluble economic dilemmas. Unique in its sophisticated application of ethical reasoning to real day to day business problems, this book points the way to the exemplary moral leadership that will enable companies to flourish in the complex global economies of the twenty first century.

Liar's Poker Instaread, 2016-03-01. *Liar's Poker* by Michael Lewis. Summary Analysis Preview. *Liar's Poker* is the story of the investment banking firm Salomon Brothers during the tenure of CEO John Gutfreund lasting from 1978-1991 and to a lesser extent a description of the wider financial world of the 1980s. The growth of Wall Street firms like Salomon Brothers was boosted by government deregulation which allowed for the growth and creation of risky mortgage backed securities and high yield junk bonds during this period. During the 1980s Salomon Brothers was the largest investment banking firm in the United States. PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. Inside this Instaread Summary of *Liar's Poker*. Overview of the book. Important People. Key Takeaways. Analysis of Key Takeaways.

Liar's Poker by Michael Lewis, 1990-09-20. *Spy*, 1993-04. Smart. Funny. Fearless. It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written, and perfectly designed and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented. Dave Eggers: It's a piece of garbage. Donald Trump: *Liar's Poker* (25th Anniversary Edition) by Michael Lewis, 2014-10-27. The time was the 1980s. The place was Wall Street. The game was called *Liar's Poker*. Before there was *Flash Boys* and *The Big Short*, there was *Liar's Poker*. A knowing and unnervingly talented debut, this insider's account of 1980s Wall Street excess transformed Michael Lewis from a disillusioned bond salesman to the best-selling literary icon he is today. Together, the three books cover thirty years of endemic global corruption, perhaps the defining problem of our age, which has never been so hilariously skewered as in *Liar's Poker*, now in a twenty-fifth anniversary edition with a new afterword by the author. It was wonderful to be young and working on Wall Street in the 1980s; never before had so many

twenty four year olds made so much money in so little time After you learned the trick of it all you had to do was pick up the phone and the money poured in your lap This wickedly funny book endures as the best record we have of those heady frenzied years In it Lewis describes his own rake s progress through a powerful investment bank From an unlikely beginning art history at Princeton he rose in two short years from Salomon Brothers trainee to Geek the lowest form of life on the trading floor to Big Swinging Dick the most dangerous beast in the jungle a bond salesman who could turn over millions of dollars worth of doubtful bonds with just one call As he has continued to do for a quarter century Michael Lewis here shows us how things really worked on Wall Street In the Salomon training program a roomful of aspirants is stunned speechless by the vitriolic profanity of the Human Piranha out on the trading floor bond traders throw telephones at the heads of underlings and Salomon chairmen Gutfreund challenges his chief trader to a hand of liar s poker for one million dollars

Liars Poker Introduction

In the digital age, access to information has become easier than ever before. The ability to download Liars Poker has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Liars Poker has opened up a world of possibilities. Downloading Liars Poker provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Liars Poker has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Liars Poker. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Liars Poker. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Liars Poker, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Liars Poker has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
