

Experience Certificate for Mechanical Engineer

To whom it may concern

It is a pleasure to write an experience certificate for Mr. Somnath Das who has worked as a mechanical engineer in our Quality Control Department under my supervision. Mr. Das has been leading a team of twelve for three years and he has been successfully doing that since then. I am glad that he was very consistent in sharing his knowledge to the team and his performance has contributed very positively to the company. He has been a great leader with brilliant skillsets. His mentoring quality is specifically worth mentioning.
