

THE MOM TEST

The "Mom test" is what most of us do. We ask people who know us if they like our ideas. Every part of it is wrong.

THE Problem

Why we share our idea, EVERYONE loves it.

few people will actually pay for it.

& they lie to themselves.

Why?

People don't want to hurt your feelings

THE Solution

Ask about their specific problems - not your solution

Ask about their life Not your idea

Ask for specific examples in the past Not generics / Opinions about the future

Talk less, listen MORE

is Good!
it saves you time

You should Add...

Ask questions to find underlying motives

Don't ask like

"I have an AWESOME idea - what do you think?"
