

OPM strategic workforce planning model

Develop a plan for the department to meet future organizational strategy needs and to improve organizational performance, productivity, and efficiency.

Opm Workforce Planning Guide

Huangqi Zhang

Opm Workforce Planning Guide:

Strategic Workforce Planning Federal Guide Kimbertly Jones, 2017-10-31 Strategic workforce planning is the cornerstone of business operations. Although the baseline principles for accomplishing workforce planning is similar for both private industries and federal organizations, the processes are dissimilar in application. The primary differences being private work sector organizations are profit driven and federal agencies are appropriation driven as established by the United States Congress. This book will focus on federal specific workforce planning solutions that will provide a modified approach to private sector workforce planning applications. The book focus on those baseline workforce planning principles and provide recommended strategic workforce planning methodologies, tactics, techniques, and best practices that can be applied in a Federal workforce. These recommended solutions are designed to address the complex challenges of a 21st century federal workforce, i.e. shrinking federal budgets, emerging technologies, cyber security, age generation, etc. The guide also serves as a job aid for federal workforce planning stakeholders with bridging those workforce knowledge gaps for delivering an end to end workforce planning process that can be adopted in their organizations.

Public Personnel Management Norma M. Riccucci, 2023-08-28 Public Personnel Management has served as an essential concise reader for public personnel and human resource management courses in the fields of public administration, political science, and public policy for more than 30 years. Since the first edition published in 1991, the book has provided professors and students alike with an in-depth look at cutting edge developments beyond standard textbook coverage to cultivate a broad understanding of the key management and policy issues facing public and nonprofit HRM today. Original chapters are written expressly for the text by leading public administration scholars, each focusing on specific and sometimes controversial concerns for public personnel management such as social equity, labor relations, public employee rights, and the operation of nonprofits. Now in an extensively revised seventh edition, Public Personnel Management presents new original chapters to examine developments of interest to researchers and practitioners alike, including new ways of working, NWW, remote work, the effects of the COVID-19 pandemic on public service workforces, work-life balance, patterns of discrimination, and employees' perceptions of fairness, affirmative action, generational differences in the workforce, and as the field of public personnel management becomes more internationalized. Chapters addressing human resource management across Europe and a chapter on NWW practices in Switzerland. These together with other chapters ensure that Public Personnel Management will remain a field-defining book for the next 30 years.

Civilian Workforce Planning in the Department of Defense Susan M. Gates, Christine Eibner, Edward Geoffrey Keating, 2006 In response to more than a decade of downsizing and restructuring, the Department of Defense (DoD) is engaged in a human resources strategic planning effort to address resulting imbalances in both skills and experience levels in many parts of DoD. The current human resources strategic plan addresses the need to provide management systems and tools to support total workforce planning and informed decisionmaking. U.S. Department of Defense

2003b Attention to Department wide civilian workforce planning stems in part from the President s Management Agenda of 2001 and the continuing assessments of Department level progress on workforce planning DoD civilian workforce planning efforts are complicated and at the same time made more important by the implementation of the National Security Personnel System NSPS slated to begin in 2006 The NSPS will replace the traditional federal civil service personnel management system within DoD providing DoD managers with more management flexibility *Workforce Planning Resource Guide for Public Sector Human Resource Professionals* ,2002 Personnel Management in Government Norma M. Riccucci,Katherine C. Naff,Madinah F. Hamidullah,2019-11-21 With over 20 million people on its payroll the government is the largest employer in the country Managing people who do the nation s work is of critical importance to politicians government leaders and citizens alike Personnel Management in Government Politics and Process eighth edition examines the progress and innovations that public personnel professionals are making to address changes in the political legal and managerial environment of government It provides students with a comprehensive understanding of human resource management within its historical and political context in the public sector A number of new developments are addressed in the eighth edition including discussion of Human resource management in nonprofit organizations in an all new dedicated chapter Current and future challenges to recruitment and hiring including the use of social media in recruitment Privatization and contracting out The rise of employment at will policies Digital technology or digitalization in HRM and the need to enhance cybersecurity Managing performance with human capital analytics Increased reliance on telework States attacks on public sector labor unions HRM changes under the Trump administration Since publication of the first edition in 1977 Personnel Management in Government has addressed issues not yet considered mainstream but that have proven central to the development of the field over time This long standing but no less innovative textbook is required reading for all students of public government and non profit personnel management **Department of State** Jess T. Ford,2011 This is a print on demand edition of a hard to find publication Proficiency in foreign languages is a key skill for U S diplomats to advance U S interests overseas In 2006 it was recommended that the U S Dept of State State evaluate the effectiveness of its efforts to improve the language proficiency of its staff State responded by providing examples of activities it believed addressed the recommendation This report 1 examined the extent to which State is meeting its foreign language requirements and the potential impact of any shortfall 2 assessed State s efforts to meet its foreign language requirements and described the challenges it faces in doing so and 3 assessed the extent to which State has a comprehensive strategy to determine and meet these requirements Illustrations **Handbook of Human Resource Management in Government** Stephen E. Condrey,2010-10-26 HANDBOOK OF HUMAN RESOURCE MANAGEMENT IN GOVERNMENT THIRD EDITION The practice of public human resource management has evolved significantly in recent years due to increased outsourcing privatization and the diminution of public employee rights This thoroughly revised and updated edition of the classic reference Handbook of Human Resource

Management in Government offers authoritative state of the art information for public administrators and human resource professionals The third edition features contributions from noted experts in the field including Donald E Klingner Mary E Guy Jonathan P West Jeffrey L Brudney Montgomery Van Wart J J Steven Ott Norma M Riccucci and many more Praise for the Handbook of Human Resource Management in Government This third edition of the Handbook of Human Resource Management in Government is an essential resource for scholars practitioners and general readers in need of concise summaries of up to date cutting edge public personnel administration research No other handbook on the market more concisely more comprehensively more clearly synthesizes this vast rapidly changing field that remains so vital to effective government performance RICHARD STILLMAN editor in chief Public Administration Review The Handbook of Human Resource Management in Government comprehensively and seamlessly blends theory and practice The result is a clear road map that can finally make HR a key player in helping the government meet the unprecedented challenges facing our nation our states and our communities BOB LAVIGNA vice president Research Partnership for Public Service Washington DC With each successive edition Condrey s Handbook of Human Resource Management in Government becomes a more essential tool for graduate students who wish to improve their understanding of this field Condrey s own expertise has enabled him to take contributions from leading experts in the field and shape them into a reader that is comprehensive engaging and authoritative DONALD E KLINGNER University of Colorado Distinguished Professor School of Public Affairs University of Colorado at Colorado Springs former president American Society for Public Administration and fellow National Academy of Public Administration

Succession Planning in the Library Paula M. Singer, Gail Griffith, 2010-03-22 Drawing on her expertise as a leading consultant on human resource issues in the library Paula Singer addresses the often fraught issue of planning for change not just at the top but at all levels of an organization With Singer s help administrators can Evaluate the readiness of their current administrative structure Identify the critical management and technical positions Project and plan for future vacancies Identify the key competencies for critical positions Readers will discover techniques for spotting potential leaders and encouraging professional growth of current staff

Foreign Languages Joseph A. Christoff, 2002-07 In the wake of a changing security environment and the increasing globalization of the U S economy federal agencies needs for personnel with foreign language proficiency have grown significantly This report reviews the use of foreign language skills at the U S Army the Dept of State the Dept of Commerce s Foreign Commercial Service and the FBI Specifically the report 1 examines the nature and impact of reported foreign language shortages 2 determines the strategies that federal agencies use to address these specific shortages and 3 assesses the efforts to implement an overall strategic workforce plan to address current and projected shortages Charts and tables
