Guru, Inc. AJ Kumar,2026-02-24 In the age of social media as personal television it s not about being the best at what you do it s about being the best at getting the right people to see it Guru Inc reveals how to position yourself as the go to authority in your niche and build a personal media company that turns attention into influence trust and revenue Digital marketing expert AJ Kumar reveals the hidden journey from having expertise to becoming the next level thought leader everyone turns to for answers Most experts focus on getting better at their craft but the real game is creating such a strong mental association that people can t think about your niche without thinking about you Drawing from growing up

around spiritual gurus working with TV stars and helping experts build million dollar personal brands Kumar shows how to make this internal shift and transform your very presence into something people seek out remember and can't ignore Inside you'll discover The Guru Ladder Go beyond Level 3 where most experts plateau and rise to guru status The 3 Strategic Moves Become the name people default to when they need your expertise without shouting louder Return on Attention Created ROAC Turn views into value by measuring what actually moves the needle The Personal Media Company Model Run your social media like a TV exec not a wannabe influencer and become binge worthy by design The Hidden Language of Virality Trigger emotion stop scrolls and create content that feels personal to every viewer Breaking the VOLT Cure the Virus of Limited Thinking that keeps most experts stuck in obscurity This isn't about posting more or getting lucky with the algorithm It's about understanding why some experts naturally command respect while others with the same knowledge get ignored The difference isn't talent or luck it's an internal shift that changes how people perceive and respond to you With a foreword by Neil Patel Guru Inc will show you how to position your expertise but the real transformation happens in how you see yourself Most experts wait for permission to lead The ones who break through simply decide they already belong Your expertise deserves to be seen This book shows you how to make that happen
