Dear Sir or Madam,

I am writing to complain about a digital clock radio that I bought from Designers Electronics in Grafton Street in Dublin three months ago. I bought it as a present for a friend. It worked perfectly for a few days but then some problems started. It can only tune in to a few radio stations instead of hundreds. I can't switch the night light on and off. The alarm clock does not work either. As a result my friend was late for work.

When I returned the clock radio to the shop, the shop assistant was extremely unfriendly and refused to repair it or give me a refund.

I would be grateful if your company could repair the digital clock radio for me. If this is not possible, I would like a full refund so that I could buy something else for my friend.

I look forward to hearing from you shortly.

Yours faithfully,

Margaret Harper
