#### Recommended Prior Knowledge

Students should have some experience in reading English texts. They should be familiar with the idea of answering questions on written texts as a means of demonstrating comprehension.

#### Context

This Unit should be done after Units 1, 2 and 7 and before Units 9 and 10. It can be done before or after any of Units 3, 4, 5 or 6, at the discretion of the teacher and dependent on the preference and skill of the students.

#### Outline

The Unit explains the difference between literal and inferential comprehension questions and teaches students to recognise their signposts and how to answer questions of each type.
