The Performance Planner Zig Ziglar, Zig Ziglar Corporation, 1988* **F.T.I. Failure to Implement** Howard Partridge, 2020-02-04 Why is it that we don't do the things we know we should do to be more successful? Is it a lack of time? A lack of discipline? A lack of motivation? The number one reason most people don't reach their biggest dreams and goals is what international business coach Howard Partridge calls F T I Failure to Implement. Many times people know what to do and how to do it, they just don't do it. This book reveals the causes of F T I and offers a proven path to overcoming the tendency toward inaction. The four keys to implementation that it outlines will give you the momentum you need to propel yourself to phenomenal success. Howard has been a business owner for 35 years and has been coaching business owners, leaders, and individuals to success for more than two decades. Now you can profit from his experience and unlock the keys to your biggest dreams and goals. Optimizing for Optimism Gary D. Moyer, 2022-04-04 Simply Captivating Tom Ziglar, CEO of Zig Ziglar. Let's face it, we live in a predominantly negative world, and it seems to be getting worse. You see it in the economy, our politics, and our relationships. It's evident in the social unrest and the social media. And it's easy to get caught in the current of negativity and swept away in pessimism. When that happens, it can make our lives and those around us less than joyful, even downright miserable. Been there? What's worse if you happen to be a Bible believer who struggles with negativity, you can feel ashamed, especially if you've been told that people of faith should be happy all the time. Maybe some of the optimists you've met have been so extreme

in their positivity they're scary. Or perhaps you're just simply not a natural optimist and want to learn how to have a happier, more fulfilling life. If any of this sounds familiar, get ready for some good news. There is hope. There are things you can do to become more optimistic. You can actually choose optimism. Gary D. Moyer is living proof. Gary grew up with a negative mindset, a natural talent for finding the downside to life. Today he is known as an optimist and encourager, sharing with people everywhere how to embrace a more positive life. This book is not just a compilation of some nice ideas about optimism, but is results-oriented, giving practical steps you can take right away to begin a new optimistic, more fulfilling life, including the missing link other self-help books miss to help convert your learning into action.
