Training Guide Personal Finance Literacy:

Teen Guide to Personal Financial Management Marjolijn Bijlefeld, Sharon K. Zoumbaris, 2000-09-30 Why should young people even think about saving for retirement Why not run credit card debt up to the max if the bank is willing to lend it Answers to these questions and others can be found in this basic guide to the fundamentals of personal finance written specifically for young adults A wide range of financial matters on how to manage your money are discussed in a progressive fashion from the very basics of opening a bank account to budgeting paying for college financing a car and tax deferred retirement accounts so that readers with varying levels of knowledge are provided with all the information they need to stay out of debt and to plan for their futures Touching on a wide range of financial matters from the use of credit cards to planning for college and retirement the volume logically walks readers through the process of handling their personal finances Examples throughout the book as well as advice from financial and family counselors clarify specific points for students to help them learn how to save and budget how to avoid the pressures of consumerism and escalating debt and how to manage all aspects of their money wisely Sample lesson plans an extensive glossary resource lists and further reading lists provide students who wish to study specific concepts in greater detail with all the tools they need to do so **De Gruyter**

Handbook of Personal Finance John E. Grable, Swarn Chatterjee, 2022-03-07 The De Gruyter Handbook of Personal Finance provides a robust review of the core topics comprising personal finance including the primary models approaches and methodologies being used to study particular topics that comprise the field of personal finance today The contributors include many of the world s leading personal finance researchers financial service professionals thought leaders and leading contemporary figures conducting research in this area whose work has shaped and continues to affect the way that personal finance is conceptualized and practiced The first section of the handbook provides a broad introduction to the discipline of personal finance The following two sections are organized around the core elements of personal finance research and practice saving investing asset management and financial security The fourth section introduces future research practice and policy directions The handbook concludes with a discussion on an educational and research agenda for the future This handbook will be a core reference work for researchers financial service practitioners educators and policymakers and an excellent supplementary source of readings for those teaching undergraduate and graduate level courses in personal finance financial planning consumer studies and household finance
