**Black and Blue** Carol Mavor,2012-09-25 Postwar French works that register disturbing truths about loss and regret and violence and history through aesthetic refinement anchor this exquisite image filled rumination on efforts to capture fleeting moments and comprehend the incomprehensible *Victorian Surfaces in Nineteenth-Century Literature and Culture* Sibylle

Baumbach,Ulla Ratheiser,2021-11-20 This volume explores the politics and poetics of Victorian surfaces in their manifold manifestations In so doing it examines various cultural products as they are and highlights the art of surface composition in the Victorian era as well as the socio cultural ramifications of the preoccupation with the exterior By closely reading the various surfaces materialising in Victorian literature and culture the individual contributions explore the dialectics of surface and depth in Victorian and Neo Victorian cultures as well as the legibility of surfaces They look into the surfaces of literary narratives paintings and film but also into natural surfaces such as skin or bark Each chapter foregrounds what is present rather than absent in a text while also paying attention to the surfaces that become manifest on the diegetic level of the text be they cloth landscapes or human bodies or faces This is an open access book *Suicide in the Entertainment Industry*

David K. Frasier,2015-09-11 This work covers 840 intentional suicide cases initially reported in Daily Variety the entertainment industry s trade journal but also drawing attention from mainstream news media These cases are taken from the ranks of vaudeville film theatre dance music literature writers with direct connections to film and other allied fields in the entertainment industry from 1905 through 2000 Accidentally self inflicted deaths are omitted except for a few controversial cases It includes the suicides of well known personalities such as actress Peg Entwistle who is the only person to ever commit suicide by jumping from the top of the Hollywood Sign Marilyn Monroe and Dorothy Dandridge who are believed to have overdosed on drugs and Richard Farnsworth and Brian Keith who shot themselves to end the misery of terminal cancer Also mentioned but in less detail are the suicides of unknown and lesser known members of the entertainment industry Arranged alphabetically each entry covers the person s personal and professional background method of suicide and in some instances includes actual statements taken from the suicide note **A PATCH OF BLUE** Guy Green,1965 *The Publishers Weekly*

**Poitier Effect** Sharon Willis,2015-03-01 The civil rights struggle was convulsing the nation its violence broadcast into every living room Against this fraught background Sidney Poitier emerged as an image of dignity discipline and moral authority Here was the picture perfect black man helping German nuns build a chapel in *The Lilies of the Field* and overcoming the prejudices of recalcitrant students in *To Sir with Love* a redneck sheriff in *In the Heat of the Night* and a prospective father

in law in Guess Who's Coming to Dinner In his characters restrained responses to white people's ignorance and bad behavior Poitier represented racial reconciliation and reciprocal respect the Poitier effect that Sharon Willis traces through cinema and television from the civil rights era to our own The Poitier effect in Willis's account is a function of white wishful thinking about race relations It represents a dream of achieving racial reconciliation and equality without any substantive change to the white world This notion of change without change conforms smoothly with a fantasy of colorblindness a culture in which difference makes no difference Willis demonstrates how Poitier's embodiment of such a fantasy figures in the popular cinema of the civil rights era and reasserts itself in recent melodramas such as *The Long Walk Home* *Pleasantville* *Far from Heaven* and *The Help* From change without change to change we can believe in her book reveals how the Poitier effect complicated by contemporary ideas about feminism sexuality and privilege continues to inform our collective memory as well as our visions of a postracial society
