But what if the evidence points to something far greater? Creation, the first book in the Bible Comes to Life series, invites families to explore the wonders of God's design through science, history, and Scripture. This engaging Bible activity book helps children understand their origin, identity, and purpose in Christ. What Will Children Learn In Creation? Families discover the biblical truth of the creation story from Genesis and its connection to the world today. Kids learn how faith and science work together to reveal a loving Creator. Key questions explored include: How did our world begin? Was the Big Bang Theory true? Did the universe really explode from nothing? Did we evolve from the same ancestors as chimps? Where do dinosaurs fit in the Bible? Why did God create humans? Did God create only male and female, or is there more to His design? Engaging Activities for Deeper Learning: This interactive Bible activity book includes hands-on science experiments that demonstrate God's design in creation, arts and crafts projects that bring the creation story to life, interactive lessons
