

Act 2 Scene 2 Bbc

Yi-Tong Ma

Act 2 Scene 2 Bbc:

Angels in America at the British National Theatre Emily Garside,2022-10-28 Angels in America was one of the most significant pieces of American theatre in the 20th Century Much has been written on Tony Kushner s epic drama However the National Theatre of Great Britain s productions of the show are relatively under discussed Not only was the National Theatre responsible for helping to originate the play in the early 1990s but it helped revitalize interest in 2018 with Marianne Elliott s reimaged version starring Andrew Garfield and Nathan Lane This book considers the role of the National in the play s history and how Elliott s production reframed the play 25 years after the original it chronicles the tumultuous first production and the play s successes in London and New York The book also looks at the key features of the play its representation of AIDS its status as an iconic gay play and its searing political commentary Concluding with an in depth analysis of Marianne Elliott s reimaging of the play this book is an up to date history of Angels in America and a reflection on its continued importance

Screening the Royal Shakespeare Company John Wyver,2019-06-27 No theatre company has been involved in such a broad range of adaptations for television and cinema as the Royal Shakespeare Company Starting with Richard III filmed in the Shakespeare Memorial Theatre before World War One the RSC s accomplishments continue today with highly successful live cinema broadcasts The Wars of the Roses BBC 1965 Peter Brook s film of King Lear 1971 Channel 4 s epic version of Nicholas Nickleby 1982 and Hamlet with David Tennant BBC 2009 are among their most iconic adaptations Many other RSC productions live on as extracts in documentaries as archival recordings in trailers and in other fragmentary forms Screening the Royal Shakespeare Company explores this remarkable history of collaborations between stage and screen and considers key questions about adaptation that concern all those involved in theatre film and television John Wyver is a broadcasting historian and the producer of RSC Live from Stratford upon Avon and is uniquely well placed to provide a vivid account of the company s television and film productions He contributes an award winning practitioner s insight into screen adaptation s numerous challenges and rich potential

Romeo and Juliet William Shakespeare,2011-01-01 Star crossed Romeo and Juliet are Shakespeare s most famous lovers A staple of high school reading lists the tragedy especially resonates with young adult readers who like Romeo and Juliet have experienced the exhilarating and perilous phenomenon of being in love Given the tragic ending of the play what does Shakespeare illustrate about his teen protagonists Are they the hapless victims of fate or are they responsible for the poor choices they make Is their love the real thing or is it self indulgent passion run amok These are some of the ever relevant questions discussed in this critical edition of Romeo and Juliet

Masculinity and Western Musical Practice Kirsten Gibson,2017-07-05 How have men used art music How have they listened to and brandished the musical forms of the Western classical tradition and how has music intervened in their identity formations This collection of essays addresses these questions by examining some of the ways in which men music and masculinity have been implicated with each other since the Middle Ages Feminist

musicologies have already dealt extensively with music and gender from the phallogocentric tendencies of the Western tradition to the explicit marginalization of women from that tradition. This book builds on that work by turning feminist critical approaches towards the production, rhetorical engagement and subversion of masculinities in twelve different musical case studies. In other disciplines within the arts and humanities, men's studies is a well-established field. Musicology has only recently begun to address critically music's engagement with masculinity and as a result has sometimes thereby failed to recognize its own discursive misogyny. This book does not seek to cover the field comprehensively but rather to explore in detail some of the ways in which musical practices do the cultural work of masculinity. The book is structured into three thematic sections: effeminate and virile musics and masculinities; national masculinities, national musics and identities; voices and discourses. Within these themes, the book ranges across a number of specific topics: late medieval masculinities; early modern discourses of music, masculinity and medicine; Renaissance Italian masculinities; eighteenth, nineteenth and early twentieth century ideas of creativity, gender and canonicity; masculinity, imperialist and nationalist ideologies in the nineteenth century; and constructions of the masculine voice in late nineteenth and twentieth century opera and song. While the case studies are methodologically disparate and located in different historical and geographical locations, they all share a common concern.

Shakespeare's Authentic Performance Texts Graham Watts, 2015-01-24. When we pick up a copy of a Shakespeare play, we assume that we hold in our hands an original record of his writing. We don't. Present-day printings are an editor's often subjective version of the script. Around 25 percent of any Shakespeare play will have been altered, and this creates an enormous amount of confusion. The only authentic edition of Shakespeare's works is the First Folio, published by his friends and colleagues in 1623. This volume makes the case for printing and staging the plays as set in the First Folio, which preserved actor cues that helped players understand and perform their roles. The practices of modern editors are critiqued. Also included are sections on analyzing and acting the text, how a complex character can be created using the First Folio, and a director's approach to rehearsing Shakespeare with various exercises for both professional and student actors. In conclusion, all of the findings are applied to *Measure for Measure*. *Wireless World*, 1927 **Radio Times**, 1963 **The Wireless World and Radio Review**, 1927 **Constant Lambert** Stephen Lloyd, 2014. To the economist and ballet enthusiast John Maynard Keynes, he was potentially the most brilliant man he'd ever met; to Dame Ninette de Valois, he was the greatest ballet conductor and advisor this country has ever had; to the composer Denis ApIvor, he was the greatest, most lovable and most entertaining personality of the musical world; whilst to the dance critic Clement Crisp, he was quite simply a musician of genius. Yet sixty years after his death, Constant Lambert is little known today. As a composer, he is remembered for his jazz-inspired *The Rio Grande*, but little more; and for a man who devoted the greater part of his life to the establishment of English ballet, his work is largely unrecognized today. This book looks not only at his music but at his journalism, his talks for the BBC, his championing of jazz in particular, Duke Ellington and more privately his longstanding affair with Margot Fonteyn.

Book jacket *Wireless World and Radio Review* ,1926 *The Gramophone Classical Catalogue* ,1996-06 *The Gramophone* ,1926 *Cue* ,1966 *The Merchant of Venice* William Shakespeare, Ken Roy, Harriet Law, Mark Maitman, Ian Waldron, 1988 *London Calling ...* ,1953 **Gramophone Classical Record Catalogue** ,1974 *The Musical Times* ,1927 **Musical Mirror** ,1928 *The Listener* ,1940 A weekly publication established by the BBC in 1929 as the medium for reproducing radio and later television programmes in print It is our only record and means of accessing the content of many early broadcasts *Gramophone Long Playing Classical Record Catalogue* ,1962
