Specification 2010

## Advanced Higher Mathematics

Course Code:	MA2707
Minimum-qualification code:	MA2707
Subject:	Level 7 (university) course code
Grade Range:	AAAAA-AAAAA

This course must provide a student experience equating to that achieved by students who have completed university level mathematics or equivalent qualifications or demonstrated that they are at least at standard that would be expected of students who have completed university level mathematics and the course objectives (including entry tests, knowledge requirements) must be met.

The course is not assessed and students will receive an 'Advanced Higher' certificate, subject to other criteria.

This information for the course should be considered in conjunction with qualification entry for a multi-institution level. It is a requirement, therefore, for entry, assessment and course content to be fully considered for any other institution which provides similar support.
