fundamental prejudices of the West were combined Hybrid Hate offers a new interpretation of the rise of antisemitism and anti Black racism in Europe and casts light on contemporary racist discourses in the United States and Europe

I, Wandering Jew Yair Mintzker, 2026-03-31 Combining history detective story and memoir a surprising and revealing account of the antisemitic myth of the Wandering Jew The story behind the mythical figure of the Wandering Jew is one of the most fascinating tales in European history In *I Wandering Jew* National Jewish Book Award winning historian Yair Mintzker traces the tale back to its source follows its many metamorphoses through five centuries and relates it to the fraught present moment According to a mysterious pamphlet published in 1602 the Wandering Jew was a real person named Ahasversus who was cursed by Jesus to eternal wandering after refusing to help him as he was led to his crucifixion For more than four hundred years many otherwise reliable witnesses have claimed to have seen the Wandering Jew Moving in reverse chronological order *I Wandering Jew* explores crucial episodes in the story of this figure We meet an unforgettable Wandering Jew like character who appeared out of nowhere in Israel in the 1950s a nineteenth century novelist who was the first Jew to favorably describe the Wandering Jew an eighteenth century German scholar who saw the Wandering Jew emerging from a devastating fire and the man who likely inspired the 1602 pamphlet A work of history that reads like a detective story *I Wandering Jew* is also part memoir As Mintzker discovers affinities between his own story and that of the Wandering Jew the surprising history of an old antisemitic trope and its meanings becomes a profound meditation on home and exile Judaism and Christianity poetry and truth the deep past and the present *Catalog of the Hebrew collection of the Harvard College Library: Author* Harvard College Library, 1995

Jesus Reclaimed Rabbi Walter Homolka, 2015-01-01 After centuries of persecution oppression forced migrations and exclusion in the name of Christ the development of a Jewish Quest for the Historical Jesus might seem unexpected This book gives an overview and analysis of the various Jewish perspectives on the Nazarene throughout the centuries emphasizing the variety of German voices in Anglo American contexts It explores the reasons for a steady increase in Jewish interest in Jesus since the end of the eighteenth century arguing that this growth had a strategic goal the justification of Judaism as a living faith alongside Christianity
