

Things Fall Apart: Study Guide

Foreword (for Teacher):

Please note that I do not presume that this is a complete study guide for the novel. It is a collection of materials I have created that I judge me to teach the novel and convey what I feel are the important things to consider regarding the novel.

There are multiple online study guides and references that help with things like Themes, Characters and Plot summaries, etc., so I decided to compile some alternative useful notes when I teach *Things Fall Apart*.
