Collection Fairy Tale Retelling Kids:

Writing, Retelling, and Critically Reading Children's and Young Adult Tales Bernard Montoneri, 2025-06-24 This edited collection traces the evolution of writing retelling and critically reading children's and young adult tales over decades of cultural social and technological changes Global contributions cover the increasingly diverse narratives found in children's literature including how contemporary authors challenge traditional gender roles found in fairy tales through modern increasingly prevalent retellings Chapters also consider the psychological impact of storytelling on children and how narratives can provide children with frameworks for understanding their emotions and experiences [Irish Children's Literature and the Poetics of Memory](#) Rebecca Long, 2021-03-25

Focusing on the mythological narratives that influence Irish children's literature this book examines the connections between landscape time and identity positing that myth and the language of myth offer authors and readers the opportunity to engage with Ireland's culture and heritage It explores the recurring patterns of Irish mythological narratives that influence literature produced for children in Ireland between the nineteenth and the twenty first centuries A selection of children's books published between 1892 when there was an escalation of the cultural pursuit of Irish independence and 2016 which marked the centenary of the Easter 1916 rebellion against English rule are discussed with the aim of demonstrating the development of a pattern of retrieving re telling remembering and re imagining myths in Irish children's literature In doing so it examines the reciprocity that exists between imagination memory and childhood experiences in this body of work [Reading Children's Literature: A Critical Introduction - Second Edition](#) Carrie Hintz, Eric L. Tribunella, 2019-03-28

Reading Children's Literature offers insights into the major discussions and debates currently animating the field of children's literature Informed by recent scholarship and interest in cultural studies and critical theory it is a compact core text that introduces students to the historical contexts genres and issues of children's literature A beautifully designed and illustrated supplement to individual literary works assigned it also provides apparatus that makes it a complete resource for working with children's literature during and after the course The second edition includes a new chapter on children's literature and popular culture including film television and merchandising and has been updated throughout to reflect recent scholarship and new offerings in children's media
