

# 300 creative writing prompts for kids

Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "if".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

Rather than focusing on leaving no child behind, differentiation aims to move every child ahead. The trouble for many teachers is, however, that differentiating for all students can be time-consuming. *Differentiation Made Simple* will help classroom teachers overcome time constraints and other obstacles to differentiation by providing a wealth of ready-made and generic tools they can employ right away. The tools include task cards for literature, creative writing, and research; tic-tac-toe menus; graphic organizers; and guides to creating differentiated units, each one tied to specific questions and concerns teachers have about differentiating instruction. Also included are product lists and other assessment ideas, including rubrics and a scoring conversion table. Written especially for teachers in the trenches, *Differentiation Made Simple* will help unlock the door to creating a classroom where every child is challenged by work appropriate for his or her abilities, interests, and learning styles. *Portable File-Folder Word Walls* Mary Beth Spann, 1999-10 Create portable word walls with students' favorite words by pasting patterns onto file folders with a variety of themes. *Teaching Narrative Writing* Lola M.
