 of Applied Sciences Marketing Management language English abstract The declining stock markets in 2000 and 2001 have
 made it more difficult for entrepreneurs to obtain the financing for new ventures and have had an impact on existing
 relationships between young companies and their investors Investor relationship marketing addressing the specific and
 varying requirements of investors is crucial as professional investors in particular apply stringent criteria for investments
 and as it is becoming increasingly difficult for start ups to raise funds Entrepreneurs face significant difficulties when
 acquiring capital for a start up Having at their disposal a variety of potential sources founders sometimes fail to chose the
 optimal alternative This can impose considerable limitations on growth and development potential increase the susceptibility
 to crises and threaten the very existence of the company Professional management of relationships to potential and actual
 investors ought to be one of the main focuses of entrepreneurs attention as inappropriate financing has been identified as the
 most frequent reason for the failure of new ventures Entrepreneurial activities considerably influence the growth of an
 economy and have a positive effect on prosperity In the Federal Republic of Germany FRG small and medium sized
 enterprises SME which most new ventures are account for more than half of the gross value added of all businesses and for
 over two thirds of all jobs SMEs are not only essential for labour markets Because they can react faster and more flexibly to
