## **Myth Retelling Novel Hardcover:**

*Orpheus in the Bronx* Reginald Shepherd, 2010-02-05 *Orpheus in the Bronx* not only extols the freedom language affords us it embodies that freedom enacting poetry's greatest gift the power to recognize ourselves as something other than what we are These bracing arguments were written by a poet who sings James Longenbach A highly acute writer scholar editor and critic Reginald Shepherd brings to his work the sensibilities of a classicist and a contemporary theorist an inheritor of the American high modernist canon and a poet drawing and playing on popular culture while simultaneously venturing into formal experimentation In the essays collected here Shepherd offers probing meditations unified by a resolute defense of poetry's autonomy and a celebration of the liberatory and utopian possibilities such autonomy offers Among the pieces included are an eloquent autobiographical essay setting out in the frankest terms the vicissitudes of a Bronx ghetto childhood the escape offered by books and gifted status preserved by maternal determination early loss and the equivalent of exile and the formation of the writer's vocation With the same frankness that he brings to autobiography Shepherd also sets out his reasons for rejecting identity politics in poetry as an unnecessary trammeling of literary imagination His study of the urban pastoral from Baudelaire through Eliot Crane and Gwendolyn Brooks to Shepherd's own work provides a fresh view of the place of urban landscape in American poetry Throughout his essays as in his poetry Shepherd juxtaposes unabashed lyricism historical awareness and in your face contemporaneity bristling with intelligence A volume in the Poets on Poetry series which collects critical works by contemporary poets gathering together the articles interviews and book reviews by which they have articulated the poetics of a new generation [The New York Times Book Review](#) ,1993 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback *Deep Splendor* Robert P. Vande Kappelle, 2021-12-02 People concerned with spirituality are seekers instead of possessing truth they seek to be possessed by it Thus a fully spiritual person is forever learning and growing William Blake the seminal mystic poet who worked to bring about change both in the social order and in common ways of thinking taught that all we need to do is cleanse the doors of perception and we shall see things as they are infinite And nothing cleanses and enlarges the doors of perception like great literature Whether it be poetry a short story a novel historical fiction fantasy literature or biographical writing the literary experience is slightly beyond a reader's horizon of understanding When literature enhances spirituality as is true of the dozen or more selections examined in *Deep Splendor* each literary moment confounds in order to keep us forever enthralled forever longing The authors and works examined in this study explore timeless spiritual themes such as coming of age relationships self integration the struggle of good versus evil the nature of change and the corruptive aspects of power When we think about great literature it is easy to focus objectively on the literature itself on what makes literature bad or good However another essential distinction involves the reader replacing the category good book with that of good reader As master teacher C S

Lewis wrote a quality of good readers is that they seek an enlargement of their being Deep Splendor will teach you how to read great literature and how to be a good reader
