Blackjack Card Counting - How to be a Professional Gambler Greg Elder,2013-03-04 How to become a professional blackjack card counter The good news is you don't have to be a mathematical genius to learn how to count cards the bad news is many of the Hollywood movies depicting the life of a card counter as fast cash and penthouse suites make it all seem a little too easy This book will give you a realistic look at what it takes to be a professional card counter I will take you step by step through the entire process As a former educator I came up with a simple progressive learning model using a basic Hi Lo level one count system that in combination will make it much easier for you to learn how to count cards I broke the entire system down to make it as easy as possible so you can get into the casino quicker Many times people do not even attempt to learn card counting because they think it is too hard If they do attempt it they get frustrated after a short time because the system is so complex they get lost in the mathematics The only two things you need to be able to do to learn card counting are memorize and practice This book isn't filled with hypothetical theories it shows you the exact steps you need to take to learn to count cards Now don't get me wrong learning everything in this book will not be easy but most people can do it if they dedicate themselves to learning However card counting is much more than simply learning the process the hard part is finding the right games and not being detected by the casinos Those areas will be covered as well Don't worry the courts have ruled that counting is not cheating or illegal but in Vegas they can throw you out because it is a private establishment not because you are doing anything wrong Counting cards is simply using your mind in a game of skill If using your mind is cheating than I don't know how else to play This book is for those of you familiar with blackjack that want to find out what card counting is all about If you're tired of losing and are ready to take your game to the next level so you have the advantage over the casino this book is for you If you can already count cards you may pick up a few tips here and there but you probably already know most of the content in the book

Professional Blackjack: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Professional Blackjack : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
