## Reference Dark Romance Thriller:

**Promises in the Dark, Book 4, Angelfire II Quartet** Karen Wiesner, 2016-11-04 Heaven's promise, desire's flame. Return to Karen Wiesner's award-winning Angelfire Trilogy. There are no scars like those inflicted in childhood and no love like your first. Timeless couples Diane Hoffmann and Mikey Lund, Roxanne Hart and Jamie Dubois, Cherish Stephenson and Ty Foxx, and Sapphire Stephenson and William Decker seek out the unconditional love and healing of an angel and the scorching heat of unending passion. William Decker has lived his life on the principle of Better to not love what you never had to begin with and You can't be hurt by anything you haven't invested yourself in and he can't deny his life mottoes have done little beyond keep him lonely. Sapphire Stephenson married, had a child, and divorced before she was out of her teens. Her entire life is wrapped up in being a good role model for her daughter and not trusting any man, living or dead. Decker seems to be the one exception. But is even he capable of more than promises in the dark? *Promises in the Dark* Karen Wiesner, 2016-11-07 William Decker, an orphan who grew up without warmth or companionship from those around him, had been a loner all his life, preferring solitude, loneliness, and dark corners to friends, anything resembling a spotlight, and even love. When he met Roxanne Hart, his first and only year of college, he'd found a center he'd unconsciously looked for all his life. Though Rox loved him deeply as a friend, she was in love with another man, and he'd never really had a shot there despite his relentless loyalty. When she announces her wedding, William knows it's long past time for him to stop wishing for the moon, but more than that, he realizes for the first time that he'd set his heart on an unavailable woman, purposely. He's lived his life on the principle of Better to not love and lose what you never had to begin with and You can't be hurt by anything you haven't invested yourself in and he can't deny it's done little beyond keep him lonely. Sapphire Stephenson married, had a child, and divorced before she was out of her teens. But starting out life with a newborn and parents who refused to understand why she couldn't forgive her cheating husband, even once she'd taken the only job she'd been able to get as a waitress and later a bartender at a rough biker joint in New York City, Sapphire is certain of two things: That being a good role model for her daughter is the most important thing in her life and that there isn't a man alive worth any loyalty. The dudes who come through the bar have no respect for, let alone interest in, anything that isn't transitory with the women around them. William Decker is the one exception to the rule she's observed and he intrigues her the way no other man ever has. But is even he capable of more than promises in the dark that he'll break without regret by morning light? **Dark, Mirror** Karen Wiesner, 2013-09-08 Twenty-five years ago, Gwen Nicholson Nelson was in a car accident that almost claimed her life and left behind a strange gift. She can see the future and death before it comes to pass. She had a vision of her husband's death ten years before it happened in for Gwen, chilling déjà vu. During this time, she's also had a disturbing connection with another like her, a psychic who has the power to not only see into others but to manipulate and destroy. For twenty-five years, as seemingly unrelated events convince Gwen she has no power of her own beyond bizarre sight, she's wondered why she was

given the ability to see pain and death yet never to alleviate it But when her nemesis targets Dylan Mitchell the man she loves and his daughter all the pieces of the puzzle that have tormented her fall into place Gwen must discover her own power believe in herself and her destiny and act before her vision of Dylan s death comes to pass [Reference Catalogue of Current Literature](#) ,1928 **2010 Novel & Short Story Writer's Market** Alice Pope,2009-07-23 BEST RESOURCE AVAILABLE FOR GETTING YOUR FICTION PUBLISHED For three decades fiction writers have turned to Novel tips from editors and authors on how to get published exercises to improve your craft and more Features devoted to genre writing including romance mystery and speculative fiction And new this year access to all Novel Short Story Writer s Market listings in a searchable online database **Reference and Subscription Books Reviews** ,1988 [Film Noir and the Arts of Lighting](#) Patrick Keating,2024-07-12 More than any other set of films from the classical era the Hollywood film noir is known for its lighting the cast shadows the blinking street signs the eyes sparkling in the darkness Each effect is rich in symbolism evoking a world of danger and doppelgangers But what happens if we set aside the symbolism This book offers a new account of film noir lighting grounded in a larger theory of Hollywood cinematography as emotionally engaging storytelling Above all noir lighting is dynamic switching from darkness to brightness and back again as characters change locations shift and fates unfold Richly illustrated [Film Noir and the Arts of Lighting](#) features in depth analyses of eleven classic movies *The Asphalt Jungle* *Sorry Wrong Number* *Odds against Tomorrow* *The Letter I Wake Up Screaming* *Phantom Lady* *Strangers on a Train* *Sweet Smell of Success* *Gaslight* *Secret beyond the Door* and *Touch of Evil* [Give Me Life](#) Holly Barnet-Sanchez,Tim Drescher,2016-12-15 Chicanismo the idea of what it means to be Chicano was born in the 1970s when grassroots activists academics and artists joined forces in the civil rights movimiento that spread new ideas about Mexican American history and identity The community murals those artists painted in the barrios of East Los Angeles were a powerful part of that cultural vitality and these artworks have been an important feature of LA culture ever since This book offers detailed analyses of individual East LA murals sets them in social context and explains how they were produced The authors leading experts on mural art use a distinctive methodology analyzing the art from aesthetic political and cultural perspectives to show how murals and graffiti reflected and influenced the Chicano civil rights movement This publication is made possible in part by a generous contribution from Furthermore a program of the J M Kaplan Fund [Spain's Long Shadow](#) María DeGuzmán, Reveals the dependence of American ethnic identity on Spain and Spanish imperialism [Writers' and Artists' Year-book](#) ,1990 **Readings in African Popular Fiction** Stephanie Newell,2002 *Readings in African Popular Fiction* explores the social political and economic contexts of popular narratives by bringing together new and classic essays by important scholars in African literature and eight primary texts Excerpts from popular magazines cartoons novellas and moral and instructional pamphlets present African popular fiction from all areas of the continent Selections include essays on Hausa creative writing the influence of Indian film in Nigeria Onitsha market literature writing and popular culture in Cameroon

Kenyan romances Swahili literature art and cartoons works by South African writers of the 1950s and popular crime thrillers in Malawi Stephanie Newell's introduction engages themes and trends in popular fiction in contemporary Africa *Writer's Guide to Book Editors, Publishers, and Literary Agents, 1998-1999* Jeff Herman, 1997 A real find for the aspiring writer The Associated Press In depth information The Writer Who are they What do they want How do you win them over Find the answers to these questions and more in the 1998 1999 edition of the *Writer's Guide to Book Editors Publishers and Literary Agents* by Jeff Herman Filled with the information authors and aspiring authors need in order to avoid having a manuscript end up in the slush pile this comprehensive listing is organized in an easy to use format It includes in depth information about publishing houses and literary agents in the United States and Canada The specifics include the names and addresses of editors and agents what they're looking for commission rates and other key information In addition readers will discover the most common mistakes people make while attempting to solicit an agent and how to avoid them as well as numerous suggestions designed to increase the chances of getting representation *Writer's Guide to Book Editors Publishers and Literary Agents* also includes dozens of valuable essays giving readers insight and guidance into such topics as How to Write the Perfect Query Letter The Knockout Nonfiction Book Proposal How to Thrive After Signing a Publishing Contract Mastering Ghostwriting and Collaboration Free Versus Fee The Issue of Literary Agency Fees About the Author Jeff Herman is the founder of The Jeff Herman Literary Agency a leading New York agency He has sold hundreds of titles and represents dozens of top authors Herman frequently speaks to writer's groups and at conferences on the topic of getting published
