Public speaking doesn't need to be scary! With these five easy tips, you can perfect your public speaking skills, and make sure you deliver a solid speech the next time you go up on stage!

1

## Maintain Eye Contact

This makes audience members feel like they are having a conversation with you, and also makes them more likely to pay attention to what you are saying!

## Use your arms and hands

2

People are more likely to remember concepts if they are associated with particular actions or movements.

3

## Smile

This will make your audience a lot more comfortable and relaxed.

## Walk around

4

Walk towards your audience; people tend to participate more when they have proximity to a speaker.

5

## Encourage participation

Ask questions. This will make the speech more engaging, memorable, and fun!
