## **Applied Statistics And Probability For Engineers:**

Applied Statistics and Probability for Engineers Douglas C. Montgomery, George C. Runger, 2010-03-22 Montgomery and Runger's bestselling engineering statistics text provides a practical approach oriented to engineering as well as chemical and physical sciences. By providing unique problem sets that reflect realistic situations, students learn how the material will be relevant in their careers. With a focus on how statistical tools are integrated into the engineering problem-solving process, all major aspects of engineering statistics are covered. Developed with sponsorship from the National Science Foundation, this text incorporates many insights from the authors' teaching experience along with feedback from numerous adopters of previous editions.

Applied Statistics and Probability for Engineers, 6e WileyPLUS Card Douglas C. Montgomery, George C. Runger, 2013-12-04 This best-selling engineering statistics text provides a practical approach that is more oriented to engineering and the chemical and physical sciences than many similar texts. It is packed with unique problem sets that reflect realistic situations engineers will encounter in their working lives. This text shows how statistics, the science of data, is just as important for engineers as the mechanical, electrical, and materials sciences.
